

Yearly Status Report - 2018-2019

Part A				
Data of the Institution				
1. Name of the Institution	EXCELSSIOR EDUCATION SOCIETY'S K.C. COLLEGE OF ENGINEERING AND MANAGEMENT STUDIES AND RESEARCH			
Name of the head of the Institution	Vilas Nitnaware			
Designation	Principal			
Does the Institution function from own campus	Yes			
Phone no/Alternate Phone no.	022-25327100			
Mobile no.	9867055566			
Registered Email	principal@kccemsr.edu.in			
Alternate Email	iqac@kccemsr.edu.in			
Address	Near Sadguru Garden, Mith Bunder Road			
City/Town	THANE EAST			
State/UT	Maharashtra			
Pincode	400603			

2. Institutional Stat	us					
Affiliated / Constitue	nt		Affiliated			
Type of Institution			Co-education			
Location			Urban			
Financial Status			private			
Name of the IQAC c	o-ordinator/Directo	r	Dr. Arundhat	i Chakrabarti		
Phone no/Alternate I	Phone no.		02225356085			
Mobile no.			9028012321			
Registered Email			arundhati.ch	akrabarti@kcce	emsr.edu.in	
Alternate Email			iqac@kccemsr	.edu.in

13. Plan of action chalked out by the IQAC in the beginning of the academic year towards Quality Enhancement and outcome achieved by the end of the academic year

Plan of Action	Achivements/Outcomes
The quality of various processed is to be upgraded and implemented by ISO Certification 9001:2015.	External and internal audit for the setup of processes has played a vital role in maintain the quality culture. The result was evident across all sections by issuance of the ISO certificate.
Regular academic audit of all departments and administrative audit of all sections conducted by IQAC by training the members.	IQAC conducted regular audit and uniformity in the nature of work across all sections was evident.
Feedback was collected from all stakeholders with the involvement of departments and Training and Placement office. Their views and suggestions were discussed in IQAC meetings.	Semester wise and annual feedback are collected from students as course exit survey, faculty and on facility. Also from other stakeholders feedbacks are taken and feed forward of their suggestions are implemented in the upcoming semester or next academic year.
The Membership of professional bodies like CSI & IETE applied by Computer and Electronics Telecommunication department respectively.	The membership was received by the respective departments and various technical events were conducted under its banner for the skill enhancement of the students.
Faculties from various fraternity were send for participation in AICTE sponsored program for Induction planning and implementation.	As per the suggestions given by the experts during the AICTE program, the induction program in our college "Deeksharambh" was planned with the same vision and keeping almost the

	parameters same.
Improvement of subject wise academic results by minimum 5% from previous academic results based on university historic result. The heads of the department continuously monitored the progress and was made more effective through remedial lectures, activity f bright students and doubt clearing sessions.	
Minimum one training per staff for their administrative or academic advancement was suggested and it was incorporated in the appraisal form an also financial assistance was provide	
Formation of registered Alumni Association by active involvement of the alumnus and account opening for t transactional purpose.	The outcome of the association can be registered from the no of alumnus he registered under the association and their active involvement in college though various deliverables such as workshops based on industry requirements, guest lectures and career counselling sessions and also through Alumni Meet.
Institute applied for funding of incubation centre from MSME for generation and incubation of business ideas through KC-Ecell.	Institute received the status of HI/BI in the academic year 2019-20.
KC-TEDX was planned and permission for the same was granted from the TEDx community based on the institute's an coordinator's profile.	and witnessed footfall from
<u>v</u>	<u>iew File</u>
14. Whether AQAR was placed before statutory body ?	Yes
Name of Statutory Body	Meeting Date
College Development Committee	04-Jan-2020
15. Whether NAAC/or any other accredited body(s) visited IQAC or interacted with it to assess the functioning ?	Yes
Date of Visit	19-Sep-2018
16. Whether institutional data submitted to AISHE:	Yes
Year of Submission	2019

Date of Submission	24-Jan-2019
17. Does the Institution have Management Information System ?	Yes
If yes, give a brief descripiton and a list of modules currently operational (maximum 500 words)	The institute has various MIS rolled out and in use section wise, depending on their specific requirements. 1. Teaching departments are using MOODLE, Google groups for information dissemination. 2. Examination section uses VIVA software which is in tune with the examination system of University of Mumbai. All exam related work and result preparation is done with the help of this software. 3. Accounts department uses Tally software. 4. Library uses Biyani software to keep all kind of records like book issue/ return, stock. Reports can be generated from the use of the software like Accession Register, daily book issue and return register, summary of purchase of books, title wise booklist and count analysis report for maximum Books Read By Student, subject wise, Department wise, Summary of Books, Books issued to Staff, Student, Late return books, Stock Verification, No dues list, Books write off, discarded, lost, etc.register wise, book title wise details, daily fine collection register The MIS systems used is effective and helps in a great way for prompt information.

Part B

CRITERION I – CURRICULAR ASPECTS

1.1 – Curriculum Planning and Implementation

1.1.1 – Institution has the mechanism for well planned curriculum delivery and documentation. Explain in 500 words

The academic year of the institute begins as per the schedule guidelines given by the University of Mumbai. Our faculty members participate in various bodies of the university such as Board of Studies (BOS), and subject syllabus setting. At the end of the working semester, forthcoming Subject distribution is done so that the staff is aware of their subject for the upcoming semester. The academic calendar is prepared which includes academic and assessment schedules, as well as sports and cultural events. Head of Departments monitored teachinglearning & evaluation schedules of the institution. Orientation programs are conducted for the newly admitted first-year and lateral entry second-year students to make them aware of all academic processes. Head of Departments conducts meeting with the faculty before the commencement of the semester to make the faculty aware of their responsibilities. Regular meetings are conducted to review teaching-learning, academic progress of students, students,

grievances, and suitable remedial actions are taken as per the requirement. The semester wise timetables are prepared as per the availability of recourses. Students are made aware of timetable, academic calendar & roll list by displaying on the notice boards before the start of the semester. All the information about Continuous Assessment Report & Rubrics is provided to the students at the beginning of the semester. To enhance e-learning amongst students, the institute uses a learning management system. Faculty prepares a course file, lab manual, & schedule for various activities. The same copies are submitted to the Head of Departments. Lectures & practical planning & implementation are regularly monitored by the Head of Departments. The evaluation of students is done through i) Internal Assessment test (I & II), End Semester Theory Examination ii) Oral/Practical Examinations and iii) Quiz, Presentation, Mini-Projects, Assignments, etc. The time schedule of the evaluation process is announced well in advance. Evaluation is done by the external and internal examiners. Theory paper evaluation for college and university examination is done by approved faculty members. The academic audit is conducted by the departmental committee every semester. To support the overall development and growth of students, the mentoring system is implemented. Regular one to one meetings with mentees are conducted and their queries/ problems are addressed and solved by mentors after consultation with respective Head of Departments. To provide exposure to work experience, students are encouraged to undertake an internship. Institute helps them to find suitable internship programs by coordinating with the Human Resource Department of various organizations. Regular feedbacks are taken from students personally or online. Feedbacks are analyzed and suitable actions are taken. At the end of the third-year semester examination, the departmental Project coordinator invites the project titles depends on society, research, industry, and institute related problems. At the start of the final year, a panel reviews these topics to finalize the project title. Each group has to report to their respective guide every week and maintain the weekly report. At the end of the semester, the student group will prepare the project report. This will be reviewed by External Examiner appointed by University.

1.1.2 – Certificate/	Diploma Courses int	roduced during the	e academic year

.4 – Feedback System						
1.4.1 – Whether structured feedba	ck received from a	all the stakeholders.				
Students Yes						
Teachers			Yes			
Employers			Yes			
Alumni			Yes			
Parents			Yes			

Feedback Obtained

Feedback is being obtained to evaluate the performance. The purpose of this is to provide a framework for obtaining, summarizing and documenting information on student and stakeholder perceptions of the quality and effectiveness of the Institute's curriculum for use in various processes and activities. The Institute maintains different types of feedback. Coordinators organizing workshop, certification course, Seminar or any other activity will take feedback from participants as well as delegates also. The feedback from alumni is drawn for evaluating subject knowledge gained through the program, progress of alumni in their chosen career after graduation, impact of different trainings, workshop, social skills, ability to take decisions, presentation skills at the workplace at Institute. A feedback to evaluate the facilities provided by the institution and the ambience provided for student and staff. All students and stakeholders have the opportunity to provide feedback. Faculty feedback by the students at the end of every semester. The student gives feedback for all the theory and practical courses taught to them in the semester. All the feed backs received from various stakeholders are summarized and analysis is carried out at department level .The obtained feedback is analysed and the action taken report is prepared and corrective actions are implemented subsequently.

2.5.3 – Academic calend			evalua					

words)

The academic calendar finalized by the Head of Departments, the dates for these internal tests are finalize at the beginning of the semester for the faculty to plan the course conduction. 1. The academic actions of the institute are based on the academic calendar of the affiliated university (University of Mumbai). In the beginning of the academic year i.e. in the Month of June, college prepares its own academic plan semester wise consists of ODD Semester from July to December and EVEN Semester from January to June, proposing the activities and it's probable dates . 2. Academic calendar includes curricular, cocurricular and extra-curricular activities to be conducted by the institute. Curricular activities such as schedule of Test (I and II), internal practical oral exam, assignment, final tem work submission schedule etc. are included. In addition to all these academic activities, cultural, co-curricular activities such as Sports, TPO activity, Reflexionz (Cultural festival), Detroix (Technical festival), TechnoVision (Engineers Day), Fresher's party, Founders Day etc are also included in the academic calendar. Institute adheres to conduct various internal examinations like term tests, oral-practical examination etc as per the academic calendar. 3. Practical /Oral Exam: practical oral exams are conducted as per academic calendar (slots for the oral / practical exam are provided in the University of Mumbai academic calendar) after the term end.

4.4.1 – Expenditure incurred on maintenance of physical facilities and academic support facilities, excluding salary component, during the year

Assigned Budget on academic facilities	Expenditure incurred on maintenance of academic facilities	Assigned budget on physical facilities	Expenditure incurredon maintenance of physical facilites
119.5	110.51	187	167.76

4.4.2 – Procedures and policies for maintaining and utilizing physical, academic and support facilities - laboratory, library, sports complex, computers, classrooms etc. (maximum 500 words) (information to be available in institutional Website, provide link)

To achieve excellence in providing quality education, all the Departments and various functioning units of the institute are provided with infrastructure facilities like placement office, head of the department cabins, faculty rooms, classrooms, girls common room, boys common room, laboratories, computer center, sports ground, canteen, etc. Students and faculty can avail of the facility of yoga training. To develop the skills, attitudes, understand the values that guide the students, and contributing to changes in values held collectively by communities and personally by individuals, the institute has Human Value Education Cell. The institute always ensures the allocation of adequate financial resources for maintenance and upkeep of major facilities for academic, physical, and support facilities like furniture, equipment, computers, teaching aids, etc. It is made sure that the resources are optimally utilized by appointing annual contracts for power supply, lifts, water coolers, ACs, reprographic facilities, maintaining hygiene and cleanliness on the campus, etc. To maintain cleanliness and hygiene on the campus a full-time outsourced housekeeping team is available. To maintain the garden area a fulltime gardener is available. To take care of the furniture and electrical fixture throughout the campus a full-time carpenter and electrician is appointed. Generators, power supply units, and power backups (UPS) are kept in an isolated area to prevent any damages due to unintended interference. During the power cuts, electrical supply is ensured on the campus by the operations of generators with a restoration time of 3 minutes. Also, voltage stabilizers are provided to the majority of electrical equipment to stabilize the voltage fluctuations. The effective usage of all the facilities is ensured by encouraging the students to participate in various curricular and co-curricular activities. Institution frequently updates IT facilities. An exclusive system administrator is functioning in the college to cater to the needs of day-to-day computer maintenance. However, minor software and hardware problems are being handled by the concerned lab assistant. A separate computer maintenance team is available which handles the departmental requirements. A teaching faculty from the information technology department is given charge of IT Coordinator. Under his guidance system administrator and lab assistants are working to take care of IT infrastructure. If the IT related equipment is not working properly then the concerned person should send the query/complaint by Email to

ithelpdesk@kccemsr.edu.in. All the departments take care of the regular maintenance of the laboratory equipment. Measure maintenance work is completed during non-academic period, however, regular maintenance work is carried out day to day basis. A teaching faculty is assigned the duty of lab in-charge who maintains dead stock entries with the help of lab assistants and gets those entries duly signed by the head of the department. Lab equipment is serviced by the concerned manufacturers and service Personnel or lab assistants of respective departments. Wherever necessary, the Annual Maintenance Contract (AMC) is also in practice. Safety precautions are listed for each machine and other equipment in the laboratories for safety purposes. Institute has set up industries attached to laboratories are E-Yantra and CISCO Networking Academy.

5.3.2 – Activity of Student Council & representation of students on academic & administrative bodies/committees of the institution (maximum 500 words)

Student Council: The institute has a active Student's Council. The process starts with inviting applications from the students for the various posts of Council.Student Council selection is held and selected members form Student Council. Selection process include round of Group discussion, just a minute test, and personal Interview which is headed by Head of the department, Senior Faculty and Training and Placement Officer. Student Council member consist of General Secretary, Joint Secretary, Sports Secretary, Marketing Head, Technical and Cultural Secretary, Literary Arts (Point and Tally), Literary Arts (ARTS), Treasurer. Technical event "DETROIX" are organized and looked after by technical Head along with student Volunteers. Sports Activities includes outdoor and indoor games like Cricket, Volleyball, Football, Table Tennis, Chess, Carrom are organized by Sports Secretary. Cultural Events."REFLEXIONZ" is organized by Cultural Secretary and General Secretary. Various days like "Founders Day", "Teacher day" and "Fresher Day" are organized by Council Every Year. • Association namely Rotract club, Youth Red Cross, Quality Assurance Committee, NSS helps to nurture student in the direction of social, Technical and Extra Curricular activities. a. Youth Red Cross Society: The Youth Red Cross Society is a worldwide, well known, universally accepted, admired and internationally identified humanitarian service organization. b. Quality Assurance Committee : Quality Assurance Committee is association of student members and all class representative which give out their time on ensuring quality within college campus for example digitization of Journal , maintenance of housekeeping and discipline in the campus. c. Internal Quality Assurance cell: Student member are actively involved in giving their ,ideas about the improvisation of content beyond syllabus overall feedback for maintaining the quality. d. National Service Scheme: Student actively participate in various social uplifting program e. Rotract club : Students of Rotract club work in the direction of creating a better world which will support neighbor, to share their ideas to join leader and take action to create lasting change • Representation of students on academic administrative bodies/committees of the institution a. Training and Placement: Student members help in organizing various session for higher studies awareness, they also helps in organizing various training and placement activities. b. Anti Ragging Committee: The committee of students is at hand in our Institute to ensure compliance with the provisions of the Regulations and also to monitor and oversee the performance of the Anti-Ragging committee. c. Student Professional society: Under the student chapters of ISTE and IEEE various technical activities are conducted by students under the guidance of faculty. d. Magazine Committee: Group of students are contributing in preparing college magazines . e. E Cell: Entrepreneur is need of hour .Team of our student are actively involved in various Project of E cell Activity.

5.4 – Alumni Engagement

5.4.1 – Whether the institution has registered Alumni Association?

Yes

Yes, the institution has registered Alumni Association (Registration Id: MAH/2131/2018/Thane). Alumni play a very important role in institution overall development. We are connected to alumni in various ways. They visit college, send messages on Facebook and groups to keep us updated about their status as well as about current trends in the market, they also mentor their juniors They

have reached a good position in their career and also try to help other students of the college to achieve success. Alumni are placed at higher positions in Industries like IBM, Infosys, TCS, Loreal, Wipro, Zycus, Eclinaical, Sutherland, Reliance JIO, Cap Gemini, etc. Few alumni are entrepreneurs and running their companies like YUPS Tech Solutions Private Limited, Four brothers Private Limited. Codebeta etc and few are contributing to Armed force, Metro Railways, NSDL, etc.. Many have opted for higher studies in India Abroad. Our Alumni are not only technically good but have also shown their excellence in various fields like Novel writing, Photography, sports, Fashion Industries, Blog writing, Acting, etc. Our Alumni are remarkably contributing to social work and also encouraging present students to do many appreciable activities. They have donated solar lamps to many villages, organized health camps, visited orphan homes, old age home. We are proud to share that our alumni are contributing to the welfare of underprivileged children like Adhar youth foundation, 'Divyang Kala Kendra'. Contribution of alumni in College : Institute has Alumni Association, they contribute through Financial and Non Financial means. Our alumni addressed about future scope in engineering, options available in engineering .delivered guest lecture to motivate students, seminars workshops. They have guided students on Industry trends, Cybersecurity, Networking Management, and security with IoT, the Importance of programming language, and coding standards. Alumni are participating with enthusiasm to share their ideas, encourage present students for doing their best to achieve success. The college has organized different activities by inviting alumni whose guidance can be beneficial for our students. Our alumni are actively involved in the teaching-learning process and skill development of students by advising some bridge courses to fill the gap between industry and academics.

5.4.2 – No. of enrolled Alumni:

206

5.4.3 - Alumni contribution during the year (in Rupees) :

156393.8

5.4.4 – Meetings/activities organized by Alumni Association :

One institute level Alumni meet was organized and approximately 9 alumni interactions took place.

CRITERION VI – GOVERNANCE, LEADERSHIP AND MANAGEMENT

6.1 – Institutional Vision and Leadership

6.1.1 – Mention two practices of decentralization and participative management during the last year (maximum 500 words)

All the departments of the institute function under the direct supervision of the Principal. Day-to-day academic activities of the departments are taken care of by the Head of Departments. Examination related activities are handled by the Controller of examinations. Principal supervises the Administrative office, examination section, central library, and all the Under Graduate and Post Graduate departments will be functioning. Case study of ISO implementation: During the course of the NAAC preparation institute planned to go for ISO 9001:2015 certification. In this regard Management representative (MR), Co-MR and Deputy-MR were nominated by college management. The role of these members was to implement ISO in such a way that it forms the basis of any accreditation and streamlines the process and functioning of the institute as a whole in a decentralized manner. Internal training regarding this was conducted by internationally certified ISO auditor. The training included important stakeholders of the institute who were heads of their respective departments. This training ensured that the participants are capable of complying with the ISO process in their respective departments and was nominated as ISO internal auditors. This formed the basis for internal auditing which is done regularly and helped the institute to be ISO compliant. Case study of IQAC team: The formation of the IQAC team was done as there was a need for a body that will ensure quality assurance. IQAC was given the first responsibility to overlook the accreditation activities of the college. IQAC members were selected from across departments to ensure seamless communication and working among various departments. This team includes the NAAC steering committee as well as has representation from industry, alumni, NGO. This helped to get feedback from all stakeholders ensuring transparency and clarity in decision making which improved the overall quality of the institute.

6.1.2 - Does the institution have a Management Information System (MIS)?

Partial

6.2 – Strategy Development and Deployment

6.2.1 - Quality improvement strategies adopted by the institution for each of the following (with in 100 words each):

Strategy Type	Details
Human Resource Management	The institute has a human resource policy in place. The payroll is as per the norms. Faculties and non teaching staffs are given opportunity to undertake program for their knowledge and skill up-gradation. Financial support is provided for the same.
Admission of Students	The institute through its social outreach wing has taken many initiatives to connect to 11th and 12th standard students and guided them regarding career opportunities post 12th. The institute helps 12th students during facilitation center process approved by DTE(Directorate of technical education), Maharashtra state by conducting career awareness sessions and solving their queries.
Industry Interaction / Collaboration	<pre>Various reputed industry professionals have visited the institute to deliver seminars, guest lectures, workshops on advanced topics to bridge the gap between industry and academia. Institute has signed several MoUs with industry which focus on value added training and internships for students.</pre>
Library, ICT and Physical Infrastructure / Instrumentation	Library committee has got IIT Bombay membership through which students and faculty members can access resources of the library of IIT Bombay. IET (Institution of Engineering and Technology) digital library membership helps students and faculty to access high quality international journal and conference papers and e-books. The institute has access to

	IETE(Institution of Electronics and Telecommunication Engineers) journals through IETE membership.
Research and Development	RD committee has taken initiative to apply for funding to University of Mumbai through minor research project. To improve research culture in the organization, one day symposium on Research and development and Industry Institute Partnership program was conducted on 22nd October 2018.
Examination and Evaluation	PAC and DAC evaluate quality of question papers and ask the faculty members to make correction if needed. This ensured that the quality of question papers is maintained and assessments are useful in attainment the course outcomes of learners.
Teaching and Learning	Teaching departments have formed Departmental advisory board(DAB) program advisory committee(PAC), department advisory committee(DAC). DAB has internal and external faculty and industry members. PAC and DAC has internal faculty members. PAC and DAC verify and maintain academic standards in terms of quality of internal class test papers, activities like guest lectures, workshop etc. This is done by taking into account feedback from various stakeholders as well as DAB. Academic gap is also a criteria for planning events. Classification of bright and weak learners and activity to be conducted for them is also decided by PAC, DAC in consultation with department faculty members.
Curriculum Development	Although syllabus is affiliated to University of Mumbai, few staff members are involved in curricular development at university level and are conducting workshop, guest lectures to bridge the gap between curriculum and the requirement of the industry. Dr. Baban Rindhe, HoD and Professor of Electronics and Telecommunication department was part of syllabus revision committee for optical networks, an elective subject of semester

6.4.1 – Institution condu	icts internal and	extern	al financial audits regul	arly (wit	h in 100 words	s each)				
The institute has a well-established mechanism for conducting internal and external audits. The audit is conducted every quarter by an Internal Auditor M/s. S Ravichandran Associates, Mulund. Also, internal and external audit is conducted in every financial year to ensure financial compliance. Normally statutory financial audit is conducted in the month of June /July. Finalization of accounts is completed in August and audited statements are prepared in August duly signed by the Principal, Trustee, and chartered accountant. Reports of auditing agencies are submitted to the Principal and the Managing Committee of the institute. As per the annual audit reports from the external auditing agency. The financial statements are prepared under historical cost convention on accrual basis Fixed assets are stated at cost of acquisition or construction less depreciation. Cost comprises the purchase price and other attributable costs including expenses and financial cost during the construction period. Depreciation is provided as per the Written down Value method and as per rates and procedures laid down under the Income Tax Act 1961.

7.1.7 – Initiatives taken by the institution to make the campus eco-friendly (at least five)				
The compost pit is already installed in the institute which is regularly maintained by ECO Club under the supervision of environmental consultant Mrs. Rashmi Joshi. Solar Panel, a renewable source of energy is regularly maintained by ECO Club. Various departments of the institute are using different software to minimize paper waste. Apart from these, the following initiatives have taken by the institute to make the campus eco-friendly. Sr. No. Title Date 1 E-Waste Collection Drive 18.05.2019 2 Paper Waste Collection Drive 24.04.2019 3 No Vehicles Day 28.02.2019 4 Cleanliness Awareness Program 29.01.2019 5 Green Audit 03.01.2019 to 04.01.2019 6 Green Campus Award 2018-2019 7 LED Bulbs Tubes Installation 2018-2019				
7.2 – Best Practices				
7.2.1 – Describe at least two institutional best practices				
Title of the Practice: Mission Green Objectives of the Practice • To inculcate environmental values and consciousness amongst students, staff, and society around through various innovative methods. • To ensure the protection of the environment through green energy initiatives and effective waste management				

measures. The Practice The institute takes numerous Green Practices for developing environmental awareness and for carrying ahead eco-friendly

programs. Some of the highlights of the Green Practices program in 2018-19 are as follows: Green Campus Award: The institute won the "Green Campus Award" by Senergy for exemplary and continuous efforts for initiating environmentfriendly practices. E-Waste Collection Drive: The institute has organized E-Waste Collection Drive with the collaboration of E-Incarnation Recycling Private Limited to process, recycle, and destroy e-waste in an environmentally sustainable manner on 18 May 2019. The institute has given 1450.5 Kg of E-Waste to the recycling unit. Solid Waste Management: The institute has initiated the practice of solid waste management with the tag line of "EXCEL THE GREENER WAY" by waste paper collection drives on regular bases. In order to this, 3915.3 Kg waste paper was collected and given to Naeem Paper Metal, Thane (W) for recycling purposes. No Vehicles Day Celebration: The institute promotes minimum use of private transport to save the environment. No Vehicles Day celebration is a regular practice of institute to inculcate environmental consciousness among students and staff members. Cleanliness Awareness Program: The institute has joined their hands with Thane Municipal Corporation, Thane to spread awareness about cleanliness under "Swachh Bharat Abhiyaan". Green Audit: As a part of Green Practices, Green Audit was conducted by Quality Certification Services. Under Green Audit following parameters were monitored- • Ambient Air Quality • Water Foot Print • Total Electricity Consumption • LPG, Petrol and Diesel Consumption • It was audited that 70 of the institute is planted with various varieties of medicinal and ornamental trees. • It was appreciated by auditors that institute has taken various measures for electricity conservation like a replacement of conventional fluorescent tube lights with LED tube lights, CFL bulbs with LED bulbs. Evidence of Success • The institute won the "Green Campus Award" from Senergy in January 2019. • The E-Waste Collection Drive was organized with the collaboration of E-Incarnation Recycling Private Limited on 18 May 2019. There was a collection of 1450.5 Kg of e-waste from different departments of the institute. • Waste Paper Collection Drive conducted on 24 April 2019. • No Vehicles Day was celebrated on 28 February 2019. • The institute organized the "Cleanliness Awareness Program" with the collaboration of Thane Municipal Corporation, Thane on 29 January 2019. • The "Green Audit" was conducted by Quality Certification Services on 03 January 2019 to 04 January 2019. • Various measures have been taken by the institute for energy conservation like a replacement of conventional fluorescent tube lights with LED tube lights, CFL bulbs with LED bulbs in 2018-19. • The institute has enrolled on the green army initiative of Maharashtra government. http://greenarmy.mahaforest.gov.in/index.php?optionorgreportlangMar. • Plastic collection drive was organized on 11 June to 15 June 2018. • E-waste Collection drive - There was a collection of 400 kg of e-waste from different departments of the institute on the occasion of World Environment Day. • Celebrations at Pimpri with a plantation drive on the World Environment Day, 5 June 2018 plantation of 100 saplings of different kinds of flora in the village. • Organization of a seminar on "Domestic Waste Management and Terrace Gardening of vegetables" on 16 March 2018 by Eco club. • Installation of Solar Panel System on 9 March 2018. • Organization of Cleanliness and Plantation drive at Pimpri village on 8 March 2018. • Waste paper collection drive was conducted on 01 March 2018. • Inauguration of Composting Pit in the institute premises on 28 December 2017. The institute has initiated the practice of "Waste Management" with the tag line "EXCEL THE GREENER WAY". • Green and Clean KC activity on 18 November 2017. • Campaign on Global Warming on 22 February 2017. • Swachh Bharat Abhiyan on 10 November 2016. • Initiative to give smart look to the garden of KCCEMSR - Beauty in Creativity on 18 October 2014. Title of the practice: E-Cell and Ideation Innovation Automation and Research Lab (IIARL) Objectives of the practice: • To help the students to develop business ideas who are eager to become entrepreneurs but are not sure how to go about it. • To help both budding and would-be entrepreneurs with refining ideas and providing practical guidance. • To undertake research activities, training entrepreneurs,

identifying opportunities, and pursuing them. • To establish global leadership in all fields and develop competent human resources for providing services to society. The practice: KCCEMSR took an initiative to set up an Entrepreneurship Cell (E-Cell) for its students with a view to motivate budding entrepreneurs to establish their own startups. The prime motive being that the students need to hone their skills to be able to sustain in the existing competitive environment and become self-employable in the first case. For the same E-Cell conducts various activities like Ked Talks, Seminars, Workshops, etc. for enhancing the skills of the students. The E-Cell is aiming at starting a full incubation center by the first half of 2019. The institute has set up a space for an incubation center under the name of IIARL, which is being tried to engender under the Atal Innovation Mission, the incubation center will provide the startups with necessary guidance, tech-support, infrastructure, access to investors, networking and facilitating a host of other resources that may be required for the startup to survive and scale. There are some startups lined up to be incubated under IIARL. Students have gained confidence and have started working for small firms/ companies and are getting paid, thereby have grown in confidence that they can do something on their own. The E-Cell has successfully nurtured some good entrepreneurs who are doing excellent work in their startups. Students have improved their skills by doing things practically and learning how to reverse engineer any system/ devices. E-Cell team also won the second prize in the National Entrepreneurship Challenge held by IITB in 2018. The E-Cell has received a funding of 20000/- from the Entrepreneurship Development Institute of India (EDII) regarding the conduction of activities/programs of Entrepreneurship Awareness Camp (EAC) under National Sciences Technology Entrepreneurship Development Board (NSTEDB). Now we are applying for Faculty Development Program through Entrepreneurship Development Institute of India (EDII) under the National Sciences Technology Entrepreneurship Development Board (NSTEDB). E-Cell students won the first prize at the Innovation Mela held at Atharva College of Engineering, Malad (W) in March 2019. The IIARL has successfully incubated a business, "Hie Cabs", a start-up by a student of second-year Computer Engineering. There are a few more start-ups lined up to be incubated in the near future. E-cell has successfully mentored its student members in setting up their own start-ups, like Redcliff Automation (Omkar Sharma), Trekk Community (Jayesh Behra), Apdid Solutions (Darshan Komu), Shahi Dynatech (Kirti Shahi). LL44 (Bhavya Shukla), Hie Cabs (Nandlal Chaudhary), Maverick (Anup Singh). 5. 7.3 – Institutional Distinctiveness

7.3.1 – Provide the details of the performance of the institution in one area distinctive to its vision, priority and thrust in not more than 500 words

Project E-Gaon "Retaining the sanctity of the village whilst instilling technology" INTRODUCTION: Sansad Adarsh Gram Yojana (Hindi: ?????????????????????,abbr.: SAGY) is a rural development program broadly focusing upon the development in the villages which includes social development, cultural development and spread motivation among the people on social mobilization of the village community. OBJECTIVES: The main objectives of the SAGY are: 1. To trigger processes which lead to the holistic development of the identified Gram Panchayats 2. To substantially improve the standard of living and quality of life of all sections of the population through • Improved basic amenities • Higher productivity • Enhanced human development • Better livelihood opportunities • Reduced disparities • Access to rights and entitlements • Wider social mobilization • Enriched social capital 3. To generate models of local level development and effective local governance which can motivate and inspire neighboring Gram Panchayats to learn and adapt 4. To nurture the identified Adarsh Grams as schools of local development to train other Gram Panchayats. INITIATIVES TAKEN: (2018-19) NSS Residential Camp NSS unit of KCCEMSR had organized a seven days residential camp at Pimpri, district Dahisar from 1st January to 7th January 2019. The mornings of each day of the camp started with Prayer and Yoga followed by various activities. On the first day of the camp, the Swachata Abhiyan campaign was organized wherein a rally on Swachh Bharat was conducted. A personality development session was also conducted on the same day. On the second day of the camp street play on Road Safety awareness along with a rally on road safety measures was organized. Later in the day, a group discussion session was held. For the next three days, various seminars were held for the teachers as well as the students of the school namely "Career Guidance Seminar", "Time Management Seminar" and "Voting for the Betterment". In the last two days of the camp, various sports and cultural events were planned for the students of Pimpri school. A craft and drawing session was also taken for the students of lower standards. Last but not the least, the wall painting sessions organized for the students received an overwhelming response. Street Play on Depression The Rotaract club of KCCEMSR conducted a street play about depression on the occasion of international women's day- 8th March 2019. On the same day, a technical workshop on Computer Assembling was also conducted by the E Cell of the institute. Compost Pit The college has taken the initiative of establishing a compost pit at the Pimpri village. The gram panchayat of Pimpri village is in discussions with the BMC for the same. The technical support will be provided by BMC along with the CSR funding. INITIATIVES TAKEN: (2017-18) • Improving Sanitation • Donation Drives • Health Camp • Tree Plantation Drives

8. Future Plans of Actions for Next Academic Year

The institute has the strategized for the implementation of the following in the next academic year: 1. Project-based learning methodology. 2. Improvement in the quality of research publications by faculties. 3. Updation in the mentor-mentee meeting strategy and format. 4. Enhancing the life skills and personality development of the students. 5. Specific technical training for the students for placement. 6. Human value cell set-up in the institute and training of few faculties for the same. 7. NBA accreditation for at least one department. 8. Applying for various government funding for the existing incubation center (IIARL). 9. Conduction of various value-added courses in coordination with MSME. 10. Applying for the Minor Research Grant Proposal Scheme of Mumbai University.
