Points Discussed:

1. The review of the previous meeting was taken from all the Heads of department and responsible person.
2. Considering the ongoing pandemic situation classes are still held in online mode and teaching faculties are working from home.
3. The students training in form of guest lectures & workshops are conducted and some are scheduled.
4. Training on CCNA completed by A.P. Sushma Kore and A.P. Keerti Kharatmol.
5. As discussed, a value-added course on CCNA will be delivered by the A.P. Sushma Kore and A.P. Keerti Kharatmol for the interested students.
6. It was informed to all that the format of AQAR is updated for the A.Y.2020-21. The proofs of all information are to be included in the updated format.
7. All the evidences will be scanned and link will be generated through our college domain id and shared.
8. The data will be compiled at the IQAC office and will be forwarded to the respective criteria in charges for verification and updation.

10. In continuation with previous semester, this semester too value -added courses will be conducted. In addition to the thrust areas suggested by AICTE, the trained faculties from industry will be conducting value added course under CISCO certification.
11. The placement of the previous academic year was good considering the pandemic situation. The placement officer conveyed that the placement drive for the current academic year 2021-22 will commence with Day Zero with LTI on 4th September 2021.
12. It was informed to all that the ISO 9001:2015 certification validity is till September 2021. So, we will be going for the re-certification audit and considering the online work from home scenario we will request for extension of the validity by at least one month. So that we can have the ISO audit by external certification body by October 2021.
- 13.
