Odd semester 2023-2024

“THE SCIENCE OF TODAY
IS THE TECHNOLOGY OF
TOMORROW”

EDWARD TELLER

Vision

To create IT graduates with
and employable skills.

MISSION

- To imbibe problem solving and analytical skills the teaching learning process.
- To impart technical and ma to meet the industry require
- To encourage ethical and valu education.

Program Educational Objectives (PEOs)

PEO1: To apply knowledge of technology and develop secure IT systems

PEO2: To demonstrate leadership qualities like professionalism, ethics and human values

PEO3: To develop a lifelong learning process amongst students in sync with emerging trends in technology.

Program Specific Outcomes (PSOs)

PSO1: To apply knowledge of latest technology to analyse problem design algorithm & implement solution for real time problem

PSO2: To apply knowledge of latest technology to analyse problem design algorithm & implement solution for real time problem

Special Achievements

1. Ridhima Lawane, Megha Atale, Shubham Pawar Participated in Avishkar National Level Project Competition Organised by Mumbai University on December 15 2023.
2. Anish Khatu, Harsh Dongrikar, Tanmay Gadhave Participated in Avishkar National Level Project Competition Organised by Mumbai University on December 15 2023.

Departmental Activities (Innovative Teaching Learning Process):

1. Seminar on “Anyone can be an entrepreneur with right insights” conducted for SE and TE Students which was co-ordinated by Prof. Devika Rani Roy on 11nd Aug. 2023.

2. “Hands-on workshop on Basic to Advance Use of SQL” conducted for SE Students which was coordinated by Dr. Devika Rani Roy on 07th Oct. 2023.

3. Workshop on “React JS” conducted for TEIT students which was coordinated by Prof. Priyanka Sananse on 14th Aug. 2023

4. Workshop on “Basic to advanced JAVA” conducted for SEIT students which was coordinated by Prof. Priyanka Sananse on 11th Sep. 2023

5. Industrial Visit at AQM Technology, Mumbai conducted for TEIT students which was coordinated by Dr. Kiran Bhandari on 29nd Sept. 2023.

6. Guest Lecture on “Advance C Programming for applications of Data Structures” conducted for SEIT students which was coordinated by Dr. Kiran Bhandari on 04nd Oct. 2023.

FACULTY ACHIEVEMENT

Workshop/STTP/FDP/Seminar/Orientation Attended:

1. Asst. Prof.Amarja Adgaonkar Contributed in co-ordinating the online Faculty Development Program on Online/SF-STTP/FDP Programme on “Exhilarating SOCIO-Human Life Using Deep Learning” organized by Vidyavardhini's College of Engineering & Technology, Vasai Road, Palghar,Maharashtra held during 03.07.2023 to 14.07.2023
2. Asst. Dr.Devika Rani Roy Contributed in co-ordinating the online Faculty Development Program on Online/SF-STTP/FDP Programme on “Exhilarating SOCIO-Human Life Using Deep Learning” organized by Vidyavardhini's College of Engineering & Technology, Vasai Road, Palghar,Maharashtra held during 03.07.2023 to 14.07.2023
3. Dr.Kiran Bhandari has participated in five days Online Faculty Development Program (FDP) on "Fundamentals of AI and Empowering Practical Tools" at Datta Meghe College Of Engineering Airoli during 03 July to 07 July, 2023.
4. Asst. Prof. Priyanka Sananse has participated in a five days Online Faculty Development Program (FDP) on "Fundamentals of AI and Empowering Practical Tools" at Datta Meghe College Of Engineering Airoli during 03 July to 07 July, 2023.

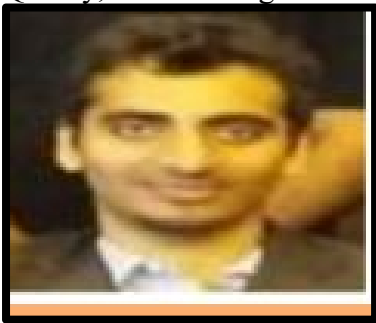

Alumni Highlights

Chinmay Salvi is a Network Security Consultant at New Zealand (Third Party) and India (freelancer). He is Also Member of Alumni Association for KCCEMSR. He is Also had its contribution as a Judge for National Level Project Competition XZIBIT 2023

Dr. Swapnil Kale is Working as a Career Coach at Migrant Master and QMS Academy

He is Having Total IT and Immigration experience of 18+ years. He is an expert in Training and Certification of Project Management, Program Management, IT Service Management, Six Sigma, Quality, Lean Management.

Amanjeet Singh Malhotra is a writer and Digital Marketing lecturer and he has recently won “Karmaveer Chakra” award and “Global Young Leader Award”

Vision

To create IT graduates with ethical and employable skill.

MISSION

- To imbibe problem solving analytical skills through the teaching learning process.
- To impart technical and managerial skills to meet the requirement.
- To encourage ethical and value based education.

Program Educational Objectives (PEOs)

PEO1: To apply knowledge of technology and develop secure IT systems

PEO2: To demonstrate leadership qualities like professionalism, ethics and human values

PEO3: To develop lifelong learning process amongst students in sync with emerging trends in technology.

Program Specific Outcomes (PSOs)

PSO1: To apply knowledge of latest technology to analyse problem design algorithm & implement solution for real time problem

PSO2: To apply knowledge of latest technology to analyse problem design algorithm & implement solution for real time problem

Special Achievements

1. Vridhi Sivastava, Karthik Veduvar, Roshni Singh secured 1st Prize in “SCOE Avishkar 2024 Project Competition” held on 5th April, 2024 at Saraswati College of engineering, Kharghar

2. Anish Khatu, Harsh Dongrikar, Tanmay Gadhave secured 1st prize in “XZIBIT -2024” National Level Project Competition held on 15th April, 2024 at K.C. College of Engineering and Management Studies and Research, Thane (East)

3. Aditya Gholap, Shreyas Parab, Sakkim Sayyed, Om Bade secured 1st prize in Sports-kabaddi at L.R. Tiwari College of Engineering & Vidyalkar Institute of Technology, Mumbai

Departmental Activities (Innovative Teaching Learning Process):

1. Hands on workshop on “Introduction to IoT” conducted for TE students which was co-ordinated by Dr. Baban U. Rindhe and Prof. Purnima Vadak on 9/2/2023

2. Workshop on “Workshop on Advance shell scripting. conducted for SE Students which was co-ordinated by Prof. Devika Rani Roy on 23/3/2023

3. Guest Lecture for “Technology Trends in web-3 Technologies, Data Science, Artificial Intelligence, Blockchain” conducted for BEIT students which was co-ordinated by Dr. Rajesh Kapur 24/3/2023

4. Workshop on “Python Hands on workshop from Basic to Advance” conducted for SEIT students which was co-ordinated by Prof. Aarti Abhyankar on 29/3/2023.

5. Workshop “Hands on workshop on Android Application Development” conducted for TEIT students which was co-ordinated by Prof. Seema Bhuravane on 31/3/2023.

6. One Day workshop on “Network Application” conducted for SEIT students which was co-ordinated by Prof. Seema Bhuravane on 11/4/2023.

Faculty Achievement

Workshop/STTP/FDP/Seminar/Orientation Attended:

1. Associate Professor Mrs.Amarja Adgaonkar has participated in One week Online Faculty Development Program on “Data Science” from 01th March to 07th March 2024 organized by KCCEMSR,with IQAC and IETE-SF CADD Centre,Thane
2. Associate Professor Dr.Devika Rani Roy has participated in One week Online Faculty Development Program on “Data Science” from 01th March to 07th March 2024 organized by KCCEMSR,with IQAC and IETE-SF CADD Centre,Thane
3. Associate Professor Ms.Punam Bagul has participated in One week Online Faculty Development Program on “Role of Bigdata and Cloud in the Era of Transformation” from 29th January to 03rd February 2024 organized by Department of Computer Science and Engineering, GATES Institute of Technology,Autonomous, Gooty.
4. Associate Professor Mrs.Rachana Borole has participated in One week Online Faculty Development Program on “Role of Bigdata and Cloud in the Era of Transformation” from 29th January to 03rd February 2024 organized by Department of Computer Science and Engineering, GATES Institute of Technology,Autonomous, Gooty.
5. Associate Professor Mrs.Priyanka Sananse has participated in One week Online Faculty Development Program on “Data Science” from 01th March to 07th March 2024 organized by KCCEMSR,with IQAC and IETE-SF CADD Centre,Thane
6. Asst. Prof. Priyanka Sananse has published IPR Industrial Design Patent on Plant Health Monitoring Device Which Published on 02 Jan,2024

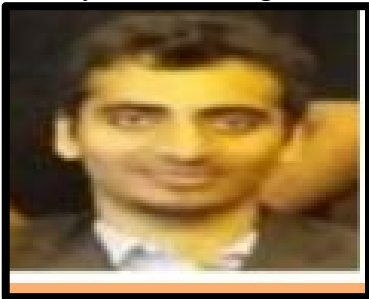

Chinmay Salvi is a Network Security Consultant at New Zealand (Third Party) and India (freelancer). He is Also Member of Alumni Association for KCCEMSR. He is Also had its contribution as a Judge for National Level Project Competition XZIBIT 2023

Dr. Swapnil Kale is Working as a Career Coach at Migrant Master and

QMS Academy

He is Having Total IT and Immigration experience of 18+ years. He is an expert in Training and Certification of Project Management, Program Management, IT Service Management, Six Sigma, Quality, Lean Management.
