Syllabus of Bridge Course

Subject : Engineering Mechanics

Course Objective : To bridge the gap between Higher Secondary Physics and Engineering Mechanics

Course Outcomes :

- 1) Students will be able to recall concept of Force , Laws of Motion
- 2) Students will be able to apply the basic concepts of Physics for solving problems in Engineering Mechanics

Module 1 : Concept of Force	1 hour
Module 2 : System of Forces	1 hour
Module 3 : Laws of Motion	1 hour

Dear Team,

Can we plan the said soft skills training during **19th to 29th July 2021?**

It can be scheduled for **2 hours a day.**

Since the entire course will be online and in this new normal we need limit the screen time for students.

As discussed it will be really great if we can have the trainer **Mr Ajit Vishwakarma** as a resource person.

Kindly confirm.

Respected Ma'am/Sir,

Greetings from Rubicon!

It is my pleasure to introduce **Rubicon**; **Rubicon** was incepted with a dream of a world where every youth has the power to transform lives for themselves and others around them. We strongly believe that every youth has the potential to make a difference in their personal lives as well as the community around them. We build competencies, which would help youth seek careers and prosper in their career of choice. We bring excitement into learning by developing and harnessing their curiosity and intrinsic motivation for learning.

**Rubicon's** "LifeSkills" Program, supported by Barclays aims at improving the employability skills of the youth. This initiative is supported by Barclays. Under this program, students will be trained by Corporate Trainers to enhance their Life skills which would help them significantly to increase their chance of succeeding in a job interview. This program is being launched with limited no of colleges in India.

We are looking forward to partner with your institute and plan to run the below initiatives:

1. **24 hrs. classroom training on Interview Skills ( Details mentioned below).** Due to lockdown this is divided into two parts – 18 hours virtual and 6 hours classroom training. 18 hours of virtual training will be delivered by a Corporate Trainer using Zoom/Webex as a platform – training will be conducted 2 hours per day for 9 days. 6 hours of face to face training will be done once the lockdown is lifted and before the campus placement starts.
2. **Industry visit of students to various organizations.**
3. **Post Placement Mentoring and Career Counselling support to placed students for one year.**

In Life Skills training, we will be covering the below topics:

1. Organizational Structure
2. Public Speaking
3. Presentation Skills
4. E-mail Etiquette
5. Grooming

6. Group Discussion
7. Personal Interview
8. Assessment will be conducted on Group Discussion and Personal Interview.

**Note:** We would like to clarify that neither the student nor the college is required to pay anything for this program.

### A Report on Foundation Day

NSS was formally launched on 24th September 1969, the birth centenary year of the Father of the Nation. Therefore, NSS Foundation Day and National Nutrition Week were celebrated in KCCEMSR which was held virtually by the NSS unit of our college between 4:00 PM- 6:00 PM. On this occasion "Healthy Habits Parenting Webinar" was organized. Our NSS Programme Officer Prof. Pratap Nair, the honourable Guest Speakers Dt. Pusplata Dumbre, Miss Venessa Almeida and about 40 students including the Teachers participated in the programme.

The session started with the National Anthem, along with our Guest Speakers Dt. Pusplata Dumbre explaining us about our Diet and Food Nutrition. Also, knowledge of how Managing consumption of food and drink with the intent to lose, gain or maintain weight. Emphasized about Popular Diet Plans and Foods which should be included in our daily consumption. The second speaker Miss Venessa Almeida explained about The Nutrition, Type of Nutrients and how it is related to our Health. Described the benefits of a diet high in fruit, vegetables, legumes, nuts and grains, but lower in salt, free sugars and fats, particularly saturated and trans fats. Emphasized on the RDA, Food Pyramid. She also did a comparison between various food items and explained to us the benefits of it. Various doubts and questions of the students were answered by our guests.

Prof. Pratap Nair, NSS Programme Officer of the college concluded the session by summarizing the importance of good nutrition as a part of leading a healthy lifestyle.

Also, A session on "Basics of Gardening" was conducted by our NSS Member in accordance with the event "Sapling Selfie". Various points like Gardening, Benefits of Growing one's own Garden, Measures to be taken care of etc. were explained beautifully. The programme ended with vote of thanks to all of them who attended the event.

Respected Sir,

Greetings from Rubicon!

It is my pleasure to introduce **Rubicon**; **Rubicon** was incepted with a dream of a world where every youth has the power to transform lives for themselves and others around them. We strongly believe that every youth has the potential to make a difference in their personal lives as well as the community around them. We build competencies, which would help youth seek careers and prosper in their career of choice. We bring excitement into learning by developing and harnessing, their curiosity and intrinsic motivation for learning.

**Rubicon's** "Connect with Work" Program, supported by Barclays aims at improving the employability skills of the youth. This initiative is supported by Barclays. Under this program, students will be trained by Corporate Trainers to enhance their Life skills which would help them significantly to increase their chance of succeeding in a job interview. This program is being launched with limited no of colleges in India.

We are looking forward to partner with your institute and plan to run the below initiatives:

1. 24 hrs. classroom training on Interview Skills ( Details mentioned below)
2. Industry visit of students to various organizations.
3. Post Placement Mentoring and Career Counselling for one year.

In Life Skills training, we will be covering the below topics:

1. Organizational Structure
2. Public Speaking
3. Presentation Skills
4. E-mail Etiquette
5. Grooming

Dr. Vilas N. Nithaware  
Principal  
K.C. College of Engineering &  
Management Studies & Research.

Group Discussion

7. Personal Interview

8. Assessment will be conducted on Group Discussion and Personal Interview.

**Note:** We would like to clarify that neither the student nor the college is required to pay anything for this program.

Regards,

Soniya Patil

Hi Sir,

As discussed below is what we discussed and need details from your side

- Since Training on Interview skills (Communication and Employability skills) is the session for 24 hours, it can be divided into 3 days for 8 hours per day
- We will require the college to provide Trainers breakfast, lunch.
- We will require seminar hall or training rooms accommodating 50 students per trainer
- We need the exact confirmation dates from you for the training as soon as possible
- Need an acknowledgement on Training time as 9:30 AM to 5:30 PM (8 Hours Training 3 days)
- We need the list of a total number of students (Full name, contact number, email address, branch or stream) attending training with registration on below link as an online registration so that we know number students will be attending the training. Attached is the format for offline registration

o <https://tinyurl.com/y6wk3vhu>

- Basis the total number of students registered for the training, we will decide on sending the total number of trainers. 1:50 is the ratio
- Name and contact of the concerned person coordinating training and placement of the student
- Need to sign MoU attached below before starting a Training Programme

## Proposed Activity(AY 2017-18)

### Subject: AM I

#### Activity I (Bridge Course)

- **Objective:** The objective of the Bridge course in Engineering Mathematics is to Bridge the gap between "the School education and Engineering education" .Also to make learning of Mathematics as a pleasant experience. The aim was to motivate the students interested in mathematics.
- **Outcome:** It has been a motivational drive for the students will be equipped with the knowledge and the confidence needed to take on bigger challenges as future engineers of this country.

#### Activity II (Guest lecture)

- **Objective:** This activity was conducted so that students understand the future aspects of mathematics .
- **Outcome:** Students throughly understands the importance of mathematics in technical subjects.

#### Activity III (Quiz)

- **Objective:** This activity was conducted so that the students get prepared for competitive exams like GATE exam.
- **Outcome:** Students get idea about level of questions in competitive exams for mathematics.

Activities to be conducted for Sem-I (FE)

AY-2018-19

**Subject: - Basic Electrical Engineering.**

- 1) Guest Lecture: Guest Lecture on DC Machines, transformers and innovations and utilization of DC machines in different electronics applications.  
Speaker: Dr. Sharvari Sane  
HOD (Electrical Engg. Dept.) DILKAP Engg. College Mumbai
- 2) Virtual Lab Experiments on DC Motor and Transformer.
- 3) Practical's mentioned in the syllabus to be conducted on bread board.
- 4) Industrial visit to the kaiwa load dispatch center (LDC/substation), Airoli for transformer and its types

The session was a joint project between RC KC College of Engineering, RID 3142 and RC Pune

Camp Horizon, RID 3131. Ms. Alisha Solanki, HR of Xoriant Solutions Pvt Ltd, an ICF Certified Life Coach and Immediate Past President of RC Pune Shaniwarwada for the RIY 2019-20 conducted the session. The session was very helpful and very informative. The speaker shared crucial information that is required to crack an interview. The session helped everyone to clear their doubts about the interview processes. She gave various tips and shared some most common questions asked by interviewees. The speaker also addressed some very common questions which are often neglected by the job seekers.

**Feedback:** The session was a success and everyone found it much informative and helpful. Some of the feedbacks are mentioned below:

The main aim for conducting this event was to make the individuals aware about a social media site named "LinkedIn". Along with this it also served the aim of -- how to create a LinkedIn profile and how it can present ourselves professionally as well as creatively. LinkedIn Progress was the collectively decision by core members and PD director. The WhatsApp group was created on Nov 8, 2020 and simultaneously the promotion of the event was done, and people started joining the WhatsApp group on the same day. The reminders were provided to the audiences on Nov 10, 2020 and Nov 11, 2020 by the project Chairpersons. Rtr. Prasanna welcomed the audiences, gave a brief description about the event, and gave the introduction about the speaker to the audiences. The speaker continued the event for about 45 minutes. She demonstrated her presentation regarding what LinkedIn is, how to create a profile, how to add achievements etc. After her talk Rtr. Prasanna requested audiences to ask their questions in the chat box and called Rtr. Anupam to read it out for the speaker. All the questions were acknowledged by the speaker and gave a very incisive and acute answer. The host called upon the president-elect Rtr. Shailesh Pathak to give a heartfelt vote of

It was really an informative session!

Suggestions are welcome. \*

It would have been more interactive if the attendee asks the questions directly to the resource person,so that I would be more engaging.

Thank you Rotaract Team of KC Engineering for the invite. Truly gained a lot. The QnA round was extremely pleasing, got to know various things. In all, the speaker guided us very well.

Suggestions are welcome. \*

Hey team lastly, can I get the PPT to refer or the recording?
