## CCNAv7: Introduction to Networks

The student has successfully achieved student level credential for completing CCNAv7: Introduction to Networks course administered by the undersigned instructor. The student was able to proficiently:

- Configure switches and end devices to provide access to local and remote network resources.
- Explain how physical and data link layer protocols support the operation of Ethernet in a switched network.
- Configure routers to enable end-to-end connectivity between remote devices.
- Create IPv4 and IPv6 addressing schemes and verify network connectivity between devices
- Explain how the upper layers of the OSI model support network applications.
- Configure a small network with security best practices.
- Troubleshoot connectivity in a small network.

## Introduction to Cybersecurity

For completing the Cisco Networking Academy® Introduction to Cybersecurity course, and demonstrating the ability to explain the following:

- Global implications of cyber threats
- Ways in which networks are vulnerable to attack
- Impact of cyber-attacks on industries
- Cisco's approach to threat detection and defense
- Why cybersecurity is a growing profession
- Opportunities available for pursuing network security certifications

# NDG

NDG  
LINUX  
ESSENTIALS

Dear Rohan Kulkarni,

Congratulations on successfully completing the NDG Linux Essentials course in the Cisco Networking Academy. By completing this course, you are now prepared to earn the Linux Essentials Professional Development Certificate from the Linux Professional Institute (LPI).

Today's job market is competitive, but the rewards are worth it. With employers reporting they are paying salaries well above company norms, paying out bigger bonuses, and offering flexible schedules, there has never been a better time to have strong Linux abilities. Verifying your skills with a professional certificate can be a great way to stand out from other candidates, by proving you have the technical abilities required for the job. Become a stronger prospect in the job market by pairing our certificate with other industry-recognized certifications such as Cisco Certified Network Associate (CCNA).

#### OBTAINING THE LINUX ESSENTIALS PROFESSIONAL DEVELOPMENT CERTIFICATE SHOWS THAT YOU:

- Understand the Linux operating system
- Have demonstrated the ability to navigate a Linux system
- Can execute the power of the Linux command line
- Possess knowledge of Linux security and file permissions
- Have the motivation to advance your IT career

Go to [LPI.org](http://LPI.org) to learn more about the Linux Essentials Professional Development Certificate!

Sincerely,  
The NDG Team

#### NDG LINUX SERIES

We hope you'll continue your Linux studies with the NDG Introduction to Linux I course. This course prepares you for the LPI C-1 101 Exam, the first of two towards the LPI C-1 Linux Server Professional certification from the Linux Professional Institute (LPI). The LPI C-1 certification will show you have the in-demand Linux skills that employers are seeking.

Today's job market is competitive, but the rewards are worth it. With employers reporting they are paying salaries well above company norms, paying out bigger bonuses, and offering flexible schedules, there has never been a better time to have strong Linux abilities. Verifying your skills with a professional certificate can be a great way to stand out from other candidates, by proving you have the technical abilities required for the job. Become a stronger prospect in the job market by pairing our certificate with other industry-recognized certifications such as Cisco Certified Network Associate (CCNA).

#### OBTAINING THE LINUX ESSENTIALS PROFESSIONAL DEVELOPMENT CERTIFICATE SHOWS THAT YOU:

- Understand the Linux operating system
- Have demonstrated the ability to navigate a Linux system
- Can execute the power of the Linux command line
- Possess knowledge of Linux security and file permissions
- Have the motivation to advance your IT career

Go to [LPI.org](http://LPI.org) to learn more about the Linux Essentials Professional Development Certificate!

Sincerely,  
The NDG Team

#### NDG LINUX SERIES

We hope you'll continue your Linux studies with the NDG Introduction to Linux I course. This course prepares you for the LPIC-1 101 Exam, the first of two towards the LPIC-1 Linux Server Professional certification from the Linux Professional Institute (LPI). The LPIC-1 certification will show you have the in-demand Linux skills that employers are seeking.

Dear AVINASH RAJAK

Congratulations on successfully completing the NDG Linux Essentials course in the Cisco Networking Academy. By completing this course, you are now prepared to earn the Linux Essentials Professional Development Certificate from the Linux Professional Institute (LPI).

Today's job market is competitive, but the rewards are worth it. With employers reporting they are paying salaries well above company norms, paying out bigger bonuses, and offering flexible schedules, there has never been a better time to have strong Linux abilities. Verifying your skills with a professional certificate can be a great way to stand out from other candidates, by proving you have the technical abilities required for the job. Become a stronger prospect in the job market by pairing our certificate with other industry-recognized certifications such as Cisco Certified Network Associate (CCNA).

#### OBTAINING THE LINUX ESSENTIALS PROFESSIONAL DEVELOPMENT CERTIFICATE SHOWS THAT YOU:

- Understand the Linux operating system
- Have demonstrated the ability to navigate a Linux system
- Can execute the power of the Linux command line
- Possess knowledge of Linux security and file permissions
- Have the motivation to advance your IT career

Go to [LPI.org](http://LPI.org) to learn more about the Linux Essentials Professional Development Certificate!

*Sincerely,*  
*The NDG Team*

# NDG

Dear Niraj Bamne,

Congratulations on successfully completing the NDG Linux Essentials course in the Cisco Networking Academy. By completing this course, you are now prepared to earn the Linux Essentials Professional Development Certificate from the Linux Professional Institute (LPI).

Today's job market is competitive, but the rewards are worth it. With employers reporting they are paying salaries well above company norms, paying out bigger bonuses, and offering flexible schedules, there has never been a better time to have strong Linux abilities. Verifying your skills with a professional certificate can be a great way to stand out from other candidates, by proving you have the technical abilities required for the job. Become a stronger prospect in the job market by pairing our certificate with other industry-recognized certifications such as Cisco Certified Network Associate (CCNA).

#### OBTAINING THE LINUX ESSENTIALS PROFESSIONAL DEVELOPMENT CERTIFICATE SHOWS THAT YOU:

- Understand the Linux operating system
- Have demonstrated the ability to navigate a Linux system
- Can execute the power of the Linux command line
- Possess knowledge of Linux security and file permissions
- Have the motivation to advance your IT career

Go to [LPI.org](https://lpi.org) to learn more about the Linux Essentials Professional Development Certificate!

Sincerely,  
The NDG Team

## CCNAv7: Introduction to Networks

The student has successfully achieved student level credential for completing CCNAv7: Introduction to Networks course administered by the undersigned instructor. The student was able to proficiently:

- Configure switches and end devices to provide access to local and remote network resources.
- Explain how physical and data link layer protocols support the operation of Ethernet in a switched network.
- Configure routers to enable end-to-end connectivity between remote devices.
- Create IPv4 and IPv6 addressing schemes and verify network connectivity between devices
- Explain how the upper layers of the OSI model support network applications.
- Configure a small network with security best practices
- Troubleshoot connectivity in a small network.

Dear Rohan Kulkarni,

I want to congratulate you on completing the Cisco® **CCNAv7: Introduction to Networks** course as part of the Cisco Networking Academy® program. This hands-on, lab-oriented course has prepared you for tremendous career opportunities.

You have achieved student level credential for completing CCNAv7: Introduction to Networks, and acquired the following capabilities:

- Configure switches and end devices to provide access to local and remote network resources.
- Explain how physical and data link layer protocols support the operation of Ethernet in a switched network.
- Configure routers to enable end-to-end connectivity between remote devices.
- Create IPv4 and IPv6 addressing schemes and verify network connectivity between devices.
- Explain how the upper layers of the OSI model support network applications.
- Configure a small network with security best practices.
- Troubleshoot connectivity in a small network.

In today's world, technical literacy is more important than ever, and Cisco is proud to provide you with the knowledge and skills necessary to build and maintain digital networks.

Keep up the great work and best wishes for continued future success.

Sincerely,

Chuck Robbins  
Chairman and Chief Executive Officer  
Cisco

K. C. College of Engineering & Management  
Studies & Research, Thane (E)

## Certificate of Participation

THIS IS PRESENTED TO *Jigar Ashwin Anam*

for participating in

**30 hours Value Added Course on "IoT from Scratch and Machine Learning with Python"**

organised by **Department of Information Technology & IQAC** of  
**K.C. College of Engineering & Management Studies & Research,**  
**Thane (E)** from 13th July 2020 to 17th July 2020.

**Prof. Amarja Adgaonkar**  
HOD & Convenor

**Prof. Shubhangi Verulkar**  
Co-ordinator

**Dr. Arundhati Chakrabarti**  
Vice Principal &  
IQAC Co-ordinator

**Dr. Vilas Nitware**  
Principal

**Prof. Bharti Khemani**  
Co-ordinator

EXCELSIOR EDUCATION SOCIETY'S  
**K.C. College of Engineering and Management Studies & Research**  
(Affiliated to University of Mumbai)  
MithBunder Road, Near Hume Pipe, Kopri, Thane (E)- 400603.  
Department of Electronics and Telecommunication  
**MOOC/NEP 2020-21**

Sr No	Type Of Course	Year Of Initiation	Name of Certificate Course	Organizing Agency like NPTEL, COURSERA, EDX, PRINGBOARD etc	Number of Students Enrolled	Number of Students Completed	
3	Skill Enhancement courses/Internship/Dissertation	01 May 2021 - 30 May 2021	AI for Everyone (DeepLearning.AI)	Coursera	50	50	
			Introduction to Data Science in Python				
			Introduction to Web Development				
			Technical Suports Fundamentals				
			Python Data Structure				
			System Administration & Infraction Service				
		Jan - April 2020	English Language for Competitive Exams	NPTEL	2	2	
01 May 2021 - 30 May 2021	CS403 : Introduction to Modern Database System	<a href="https://www.saylor.org/books/saylor-bk11111/">Saylor.org</a>	3	3

EXCELSSIOR EDUCATION SOCIETY'S

K. C. College of Engineering & Management Studies & Research

Thane (E)

Affiliated to Mumbai University, Approved by AICTE, DTE, NAAC Accredited by B++

## Department of Computer engineering

### Certificate of Completion

This is to certify that

Mr. Kartik Rane

**Has successfully completed the Value Added Course on “Blockchain”, under the beginning of AICTE Model Curriculum of Courses at UG Level in Emerging Areas, conducted in Academic session 2020-2021 by Department of Computer Engineering.**

**Prof. Pragati Chandankhede**  
Course Coordinator

**Prof. Keerti Kharatmol**  
Course Coordinator

**Prof. Sana Haji**  
Course Coordinator

**Prof. Mandar Ganjapurkar**  
Head of department

**Dr. Vilas Nitware**  
Principal,  
KCCMSR, Thane

Excelssior Education Society's  
K. C. College of Engineering & Management  
Studies & Research, Thane (E)

## Certificate of Participation

THIS IS PRESENTED TO *Shardul Muley*

for participating in

**30 hours Value Added Course on "Hands on course on Deep Learning using Python"**

organised by **Department of Computer Engineering & IQAC** of  
**K.C. College of Engineering & Management Studies & Research,**  
**Thane (E)** from 4th July 2020 to 20th July 2020.

**Prof. Mandar Ganjapurkar**  
**HOD & Convenor**

**Dr. Arundhati Chakrabarti**  
**Vice Principal &**  
**IQAC Co-ordinator**

**Dr. Vilas Nitaware**  
**Principal**

**Prof. Sulochana Madachane**  
**Co-ordinator**

Excelsior Education Society's  
K. C. College of Engineering & Management  
Studies & Research, Thane (E)

## Certificate of Participation

THIS IS PRESENTED TO *Sahil Pulikal*

for participating in

**30 hours Value Added Course on "Hands on course on Deep Learning using Python"**

organised by **Department of Computer Engineering & IQAC** of  
**K.C. College of Engineering & Management Studies & Research,**  
**Thane (E)** from 4th July 2020 to 20th July 2020.

---

**Prof. Mandar Ganjapurkar**  
**HOD & Convenor**

---

**Dr. Arundhati Chakrabarti**  
**Vice Principal &**  
**IQAC Co-ordinator**

---

**Dr. Vilas Nitaware**  
**Principal**

---

**Prof. Sulochana Madachane**  
**Co-ordinator**

Excelssior Education Society's  
K. C. College of Engineering & Management  
Studies & Research, Thane (E)

## Certificate of Participation

THIS IS PRESENTED TO *Aditya Bagwadkar*

for participating in

**30 hours Value Added Course on "Hands on course on Deep Learning using Python"**

organised by **Department of Computer Engineering & IQAC** of  
**K.C. College of Engineering & Management Studies & Research,**  
**Thane (E)** from 4th July 2020 to 20th July 2020.

---

**Prof. Mandar Ganjapurkar**  
**HOD & Convenor**

---

**Dr. Arundhati Chakrabarti**  
**Vice Principal &**  
**IQAC Co-ordinator**

---

**Dr. Vilas Nitaware**
