patiljayshree@kccemsr.edu.in	Jayshree Manohar Patil	BE EXTC	Ms. Hemlata Mote	No	1	Very Poor (1)	Very Poor (1)	Very Poor (1)	Never (1)	The 3rd question in this form is how many meetings were held till now? And the answer to that must be more than zero. But do I even answer that when there were no meetings held. Mentors never initiated for a meeting with their mentees. ZERO MEETINGS WERE HELD. Not sorry to say that Ms. Hemlata Mote never even talked to us for once . ..... Just for the sake of formality we are made to give a positive response. Actually I havent seen Ms. Hemlata Mote still, it means that (she is definitely unbothered).Mentors are just to for a formality. No meetings are held and no mentor takes up the charge of understanding students problem. They are busy in collecting the assignments. Whenever there is something important e.g interviews, p4oject presentation, etc .....neither mentor informs the students about the event nor the faculty teachers do. Students are informed just a day before the event. How can any student prepare for that in such a short span of time? When they (students) also have other things to complete.

GURMEET SINGH KALHA	SE	DR. KIRAN BHANDARI SIR	Yes	I had many one on one meetings with mentor. Kiran sir is one of the finest mentors i ever had in my academic life. He took all my medical problems seriously and showed his concern when needed. cannot ask for more. I wish he will be my mentor for the rest of the academics	High	High	High	High	Not every human takes his/her or a 'X' persons mental health seriosuly and the one who does it you need to value them more than rest of the negative people around you. Almost half the staff knows about my anxiety disorder , and honestly i dont expect any sympathy from any kind of staff all i expected was understanding and validation. In my tough time (more than a year) only two of my mentors came forward to talk about it. Mr. Sandesh Sir from FE and DR. Kiran Sir from SE. I respect both oh them and they showed me the true value and side of a true mentor. matter of fact, Mr. Sandesh sir wasn't even my mentor. though he wasn't my mentor, he mentored me which is a sign of a good faculty.

Alumni Feedback

Date: 04-11-2023

Alumni are the biggest treasure of our institute. You are a connect between our glorious past and consistently evolving present. Your suggestions are valuable for us and will help us match with the ever evolving and challenging future.

Name of the Alumni: Rushikesh Sunil Jagdale

Year of Passing: 2021-22 Branch: IT

Mobile No: 9096430903 E-mail: rushikeshjagdale497@gmail.co

Current Occupation: Service/Entrepreneur Working domain: IT

Designation & Company: Associate Software Engineer

Higher Education Details (If any): B. E.

Here are some of the points to facilitate you in giving feedback about our College and our students. You are requested to add tick mark in one of the boxes provided against each item.

Sr.No.	Particulars	Excellent (3)	Satisfactory(2)	Poor(1)
1	Did you find Engineering knowledge you had gain is useful in your career?(PO1)	✓		
2	Have you provided any solution for a real world problem applying your engineering knowledge and skills? (PO2 &PO3)	✓		
3	Were the Programming and analytical skills covered in your syllabus are sufficient? (PO4)	✓		
4	Did you find academic initiatives taken by college (Guest Lecture/Workshop/ Industry Visits) were useful for awareness of latest trends and technology in industry? (PO5)	✓		
5	Have you demonstrate the knowledge of sustainable development in professional life? (PO6 & PO7)	✓

7	Were team building and leadership qualities inculcated in you by different activities throughout the engineering program? (PO10 & PO11)	✓		
8	Did the different activities (Technical/ Cultural/Sports) organize by college/Institute were useful for overall development & Learning? (PO12)	✓		
9	Did you find recent development in institute is appreciable?	✓		

What gap have you identified between your academics during studentship and industry requirements?

Conduct Workshop for New Technologies in the Industry (for example .net Angular, Reactjs)

Suggestions to fill the curriculum gap

Improve the skills as per the Industry wants not only a theoritical knowledge please improve the skills & Communication

In how many ways you can contribute to your college: ***(Kindly tick on the options)***

- **Mentoring Students**: Mentoring and guiding 2-3 students throughout their engineering education.
- **Placements**: Sharing news about fresher's hiring, giving HR references for placements.
- ✓ **Project**: Providing projects, mentoring for projects etc.
- **Inplant Training**: Giving references and helping students for inplant training.
- **Networking with industry**: Providing references to proceed further.
- **Expert Lecture**: Delivering lectures for 1-2 hrs on technical or soft skills topics in a year or suggesting someone for expert lecture
