Project E-Gaon

“Retaining the sanctity of the village whilst instilling technology”

INTRODUCTION: Sansad Adarsh Gram Yojana (Hindi: सांसद आदर्श ग्राम योजना, abbr.: SAGY) is a rural development program broadly focusing upon the development in the villages which includes social development, cultural development and spread motivation among the people on social mobilization of the village community. The program was launched by the Prime Minister of India, Narendra Modi on the birth anniversary of Jayaprakash Narayan, on 11 October 2014. The distinct feature of this Yojana is that it is:

- a) demand driven
- b) inspired by society
- c) based on people's participation

PURPOSE: Far beyond mere infrastructure development, SAGY aims at instilling certain values in the villages and their people so that they get transformed into models for others. These values include:

- Adopting people's participation as an end in itself – ensuring the involvement of all sections of society in all aspects related to the life of village, especially in decision-making related to governance.
- Adhering to Antyodaya – enabling the “poorest and the weakest person” in the village to achieve well-being.
- Affirming gender equality and ensuring respect for women.
- Guaranteeing social justice.
- Instilling dignity of labor and the spirit of community service and voluntarism.
- Promoting a culture of cleanliness.
- Living in consonance with nature –ensuring a balance between development and ecology.
- Preserving and promoting local cultural.
- Adhering to the values enshrined in the Fundamental Rights and Fundamental Duties of the Indian Constitution

Project E-Gaon

“Retaining the sanctity of the village whilst instilling technology”

OBJECTIVES: The main objectives of SAGY are:

1. To trigger processes which lead to holistic development of the identified Gram Panchayats
2. To substantially improve the standard of living and quality of life of all sections of the population through
 - Improved basic amenities
 - Higher productivity
 - Enhanced human development
 - Better livelihood opportunities
 - Reduced disparities
 - Access to rights and entitlements
 - Wider social mobilization
 - Enriched social capital
3. To generate models of local level development and effective local governance which can motivate and inspire neighboring Gram Panchayats to learn and adapt
4. To nurture the identified Adarsh Grams as schools of local development to train other Gram Panchayats.

Project E-Gaon

“Retaining the sanctity of the village whilst instilling technology”

DESCRIPTION: Under the program launched by AICTE_IECSME SAGY for creating Entrepreneurship and Employment opportunities in association with AICTE, ministry HRD. We got an opportunity to help the cause by imparting sustainable development techniques in village of Pimpri, District Thane, Maharashtra, adopted by our Hon'ble Member of Parliament Mr. Rajan Vichare. He has done a lot of work for the upbringing of the village and his efforts have paved way for us to work further in the direction of his vision. His commitment and selfless service towards the village has won their Zilla Parishad an award for being an “Open defecation free village”.

The belief that villages are an important component of the ecosystem. As an Engineering institution it is our duty to extend the technology benefits and impart skills to people in rural areas who are deprived of basic amenities, while maintaining the sanctity of a village. **The Sansad Adarsh Gram Yojana (SAGY) with a motto “Developed Village-Developed Nation”**, has inspired us in taking up a benevolent task and challenging the skills of our students which can be put to use for a noble cause.

Pimpri - Village Overview	
Gram Panchayat:	Pimpri
Block / Tehsil:	Thane
District:	Thane
State:	Maharashtra
Pin-code:	411019
Area:	304.89 acres (Agriculture area: 2acre)
Population:	Census 2011: 3,841 Actual figure: 10,000 (Our survey)
Households:	838
Nearest Town:	Thane (20 km)

Project E-Gaon

“Retaining the sanctity of the village whilst instilling technology”

Problems identified after survey:

Type of School	No of Students	No of Teachers
Zilla Parishad:	55	1
Std 1 to 4:	435	9
Std 1 to 8:		
Private Aided:	304	17
Std 1-10 :		

- Most of the villagers work at the Warehouses or move outside for labour work.
- Only 20% are employed in Offices like TMC, BMC etc.
- 2% are Farmers who belong to **Adivasi community**.

Project E-Gaon

“Retaining the sanctity of the village whilst instilling technology”

PROPOSED SOLUTIONS:

Here we present some of the Solutions that we could think of as a Technical institution basically targeting the following areas which we found lacunas:

- Employability/Entrepreneur Skills
- Supply of Clean and Potable water
- Improve Sanitation
- Generation of Electricity from natural/available resources
- Health Care

Enhancing Skills for Employment readiness

- LED bulb making
- Mobile Repairing
- Computer Hardware
- Laptop Repairing
- Communication Skills
- Soft Skills

Project E-Gaon

“Retaining the sanctity of the village whilst instilling technology”

Improving Self Employability

- There are certain spaces of land that can be used to grow bamboo trees that would a very great asset to the community.
- These Bamboo trees if cultivated would give rise to a revenue generating industry where the villages can make bamboo baskets, chairs and other handicraft which would help employment within the environment
- Installation of Solar Panels and biogas centres, potable water plants, etc. would also fetch employment if these villagers are trained in operating and maintaining the above-mentioned units

Teaching-Learning Scheme

- The students of our institution are enthusiastic about this project undertaken under the **SAGY**.
- We have come up with a “*Teach the Village*” scheme like the “**Teach India**” mission where our students will visit the village to teach the students of standard I to IIX on a weekly basis for the subjects like Social Studies, Mathematics and English.
- This process will enhance the skills of the students of our institution also, while they would be learning many aspects of the village during this teaching-learning process.
- The good news that we had during the survey was that no students in the three schools dropped out this year!
- But on the whole, there were only around 1% dropouts from the schools in the past few years.

Project E-Gaon

“Retaining the sanctity of the village whilst instilling technology”

Industry Village Partnership Program (IVPP)

- The Industry Village Partnership Program is an initiative by K.C. College of Engineering and Management studies & Research, Thane, Maharashtra, where we would try to connect the village to the Industries that are located nearby.
- The idea is to approach the industries in the close vicinity for their requirements, e.g. Electrical, plumbing, fixing etc. and using this data we could train the villagers so that they are employable in that industry.

Improving Sanitation

We have planned to conduct a drive for sanitation like the “Swachata Abhiyaan” by our honourable P.M., through the students of our institution in coordination with students of the schools in village to help improve sanitation.

Project E-Gaon

“Retaining the sanctity of the village whilst instilling technology”

Planning Phase:

- After relevant information is gathered project planning will commence.
- Specify team size
- Assigning tasks
- Task heads to be nominated

Integration Management

- Project charter –
 1. Project goals
 2. Roles and Responsibilities
 3. Identification of stakeholders
- Development of Project Management plan –
 1. Project Execution
 2. Project Monitoring
 3. Project Control

Scope Management

- Collect Requirements
- Define Scope
- Create work-breakdown structure

Project E-Gaon

“Retaining the sanctity of the village whilst instilling technology”

Time Management

- Define Activities
- Sequence Activities
- Estimate Activity Resources
- Estimate Activity Duration.

Cost Management

- Estimate Cost
- Determine Budget

Quality Management

- Plan Quality
- Perform Quality Assurance
- Perform quality Control

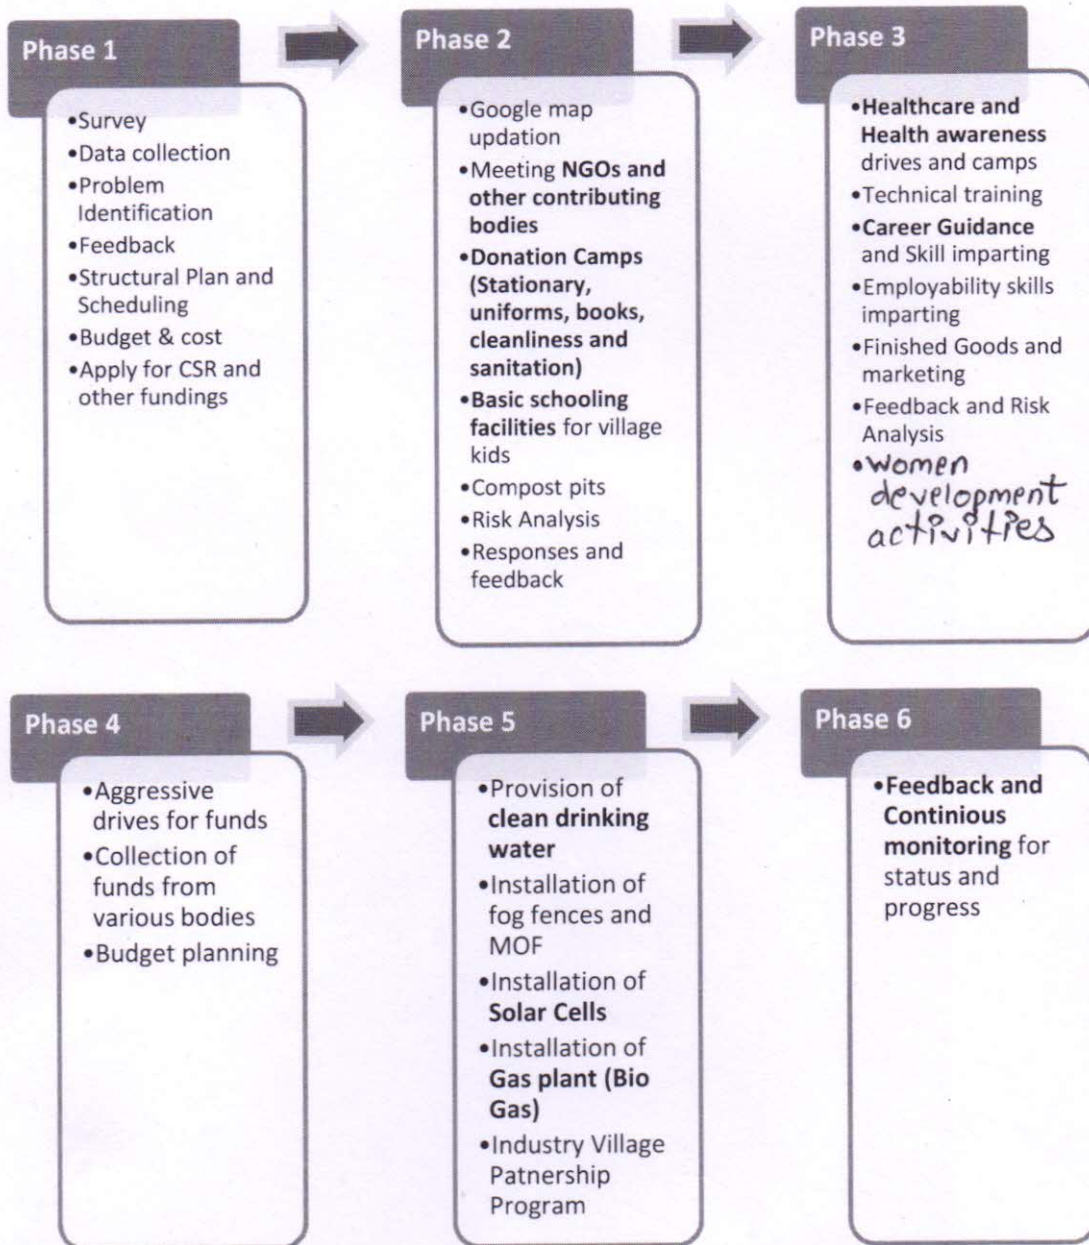

Human Resource Management

- Develop Team
- Manage Team

Risk Management

- Plan Risk Management
- Identify Risks
- Perform Qualitative Risk Analysis
- Perform Quantitative Risk Analysis

Phase Wise Execution Plan

Activities Undertaken 2017-18

- Presentation in National Conference on “Developed Village-Developed Nation” organised by AICTE at AICTE HQ, New Delhi held on 29th & 30th October, 2017.
- Extensive Programs were conducted in December 2017 & January 2018
Staff and Students came together for donate generously to the school students conducting various donation drives like Stationery Donation, Toys Donation and Book Donation
- In February 2018, School bags donation drive was conducted and KC Ecell Team conducted various cultural activities.

Photos:

- On 8th March, 2018, College decided to celebrate the International Women’s Day with Villagers specifically Ladies and Children.

NATIONAL CONFERENCE DELHI

- Presentation in national conference by Yogesh Karunakaran on “Developed village-Developed Nation” organized by AICTE at AICTE-HQ, new Delhi held on 29th, 30th OCTOBER 2017, was much appreciated by all and had the following points covered:
- Under the program launched by AICTE_IECSME SAGY for creating Entrepreneurship and Employment opportunities in association with AICTE, ministry HRD. We got an opportunity to help the cause by imparting sustainable development techniques in village of pimpri ,district thane, Maharashtra, adopted by our Hon’ble Member of Parliament Dr. Shrikant Eknath Shinde.
- Focus Areas :
 - I. Vocational education on Water management and watershed development through rainwater harvesting
 - II. Technical training and Vocational Education related to health care kit development and usage.
 - III. Various other small vocational courses for livelihood and employment

Pimpri Women's Day Celebration Event Details

To mark the **International Women's Day**, K. C. College Of Engineering and Management Studies and Research organized **Women's day** on 8 March 2018 at Pimpri village (which is adopted under **Sansad Adarsh Gram Yojana (SAGY)**). A team of 16 staff & 80 students from different cells organized a very colorful event to sensitize the women at large along with the village folks. **Entrepreneur development cell (E CELL)** made an excellent presentation for the women to become entrepreneurs. Moreover through their website www.yourowncart.com provided a platform to all lady entrepreneurs to sell their articles. The guidance was given & the response was astounding. The **Social Outreach Wing** organized a fabulous flash mob & a walkathon displaying the placards with various messages on safety & empowerment in which YRC participated with great enthusiasm. To promote hygiene & cleanliness the **ECO-Club** organized a **Swatchta Abhiyaan** & planted medicinal as well as organic plants. **Women Development Cell** hosted a Health Check -up camp for the women of village & received an overwhelming response. The camp investigated BP, Sugar test & pulmonary function test. The **Rotract club** of college organized a fun filled games & drawing competitions in Thakurpada which is the **Adivasi** dominated area. The children of Zilla Parishad School participated with great enthusiasm & the club organized an exhibition of their creativity. The day ended with great satisfaction among the staff & students, leaving a trail of everlasting memories. However, the challenge goes on till the last woman on the ladder is liberated. K. C. College of Engineering and Management Studies and Research, Thane has been a front runner when it comes to women empowerment and other social concern. They believe in "**Technology for humanity**"

The slide is titled "Ozone, the good and the bad" and features a graph of ozone concentration versus altitude. The y-axis is labeled "Altitude (km)" and ranges from 0 to 35. The x-axis is labeled "ozone amount". The graph shows a peak in the stratosphere (around 25 km) labeled "Stratospheric Ozone (The Ozone Layer) 'Good Ozone'" and a dip in the troposphere (around 5 km) labeled "'Smog' Ozone" and "Tropospheric Ozone 'Bad Ozone'".

Text on the slide:

- Ozone is often confused:
- Good ozone: Stratospheric ozone, The ozone layer
- Bad ozone: Tropospheric ozone, Smog
- Note: ozone is also greenhouse gas

Meeting details on the right show 150 people and 2 chat messages. The presenter is ABHIJIT PATHAK.

The slide is titled "GLOBAL WARMING" and is divided into two main categories: Natural and Anthropogenic. The Natural category includes Primary Climate Forcing, Variations in solar output, Orbital variations, and Volcanoes. The Anthropogenic category includes GHG, Air Pollution, Ozone Depletion, and Carbon sink Depletion.

Below the categories, a flowchart asks "Is it possible to stop excess warming?". The "NO" path leads to "Be ready for catastrophic extinction". The "YES" path leads to "You have limited control on Natural Events", which then leads to "Only Possibility is to Retard the Warming". This path further branches into "Sustainable Development" and "Live, Enjoy and let the earth sustain your burden".

Meeting details on the right show 144 people and 2 chat messages. The presenter is ABHIJIT PATHAK. A chat message from Elphinston Kishore says "Very scientific and realistic presentation".

No Vehicle Day

University of Mumbai

Academic Planning and
Development Section
No. APD/ICD/2019-20/762
17th March, 2020

Sub : Minor Research Grant Project 2019-20

Sir/Madam,

I am directed to inform you that the said proposal has been considered by the University and the research grant as quoted above is sanctioned to the researcher.

The sanctioned amount will be disbursed in two installments. The first installment of 40% of the sanctioned amount will be disbursed within the month of March. The remaining 60% amount will be disbursed up to 31st December, 2020.

The researcher is expected to spend 60% amount initially from his/her own resources to carry out the work.

Further, I am to inform you that the researcher will have to utilize the 40% sanctioned amount on or before 31st March, 2020 and submit original bills/vouchers of the expenditure along with Utilization Certificate duly certified by the Principal/Director/Head/Institute/University Department/College to the Accounts Section of the University.

Please note that 60% balance amount, out of sanctioned grant will be released after Poster Presentation & final approval of the committee. Therefore you need to submit of utilization certificate after presentation of your research including bills/vouchers/receipts in original through University Account Section.

The report of the research work carried out by the concerned researcher will have to be submitted to the University on or before 31st December, 2020.

The Principal/Head of the Institute are requested to inform the researcher accordingly and arrange to forward his/her undertaking immediately to enable this office to release first installment of the research grant.

Yours faithfully,

Deepak V. More

Subject: - Minor research project, Number – 1097, for the Financial year 2019-20 for the title
“QUADCOPTER FOR FLOOD RELIEF”

Ref: - University Circular No: - AAMS/ICD/106 of 2021

Sir,

With reference to above, please find the enclosed herewith for Minor Research Project Grant of
Rs. 20,000/- for the financial year 2019-20.

The title of the research proposal is “QUADCOPTER FOR FLOOD RELIEF”.

This is for your kind perusal and necessary approval.

Thanking you

Yours faithfully

Ms. Aarti Bakshi
Principal Investigator

Dr. Rajiv Iyer
Co-Investigator

Sub: - Minor Research Grant Project.

Sir/Madam,

I am directed to inform you that the said proposal has been considered by the University and the research grant as quoted above is sanctioned to the researcher.

The sanctioned amount will be disbursed in two installments. The first installment of 70% of the sanctioned amount will be disbursed within the month of August. The remaining 30% amount will be disbursed up to 31st December, 2021.

The researcher is expected to spend 30% amount initially from his/her own resources to carry out the work.

Further, I am to inform you that the researcher will have to utilize the 100% sanctioned amount on or before 31st December, 2021 and submit original bills/vouchers of the expenditure alongwith Utilization Certificate duly certified by the Principal/ Director/ Head/Institute/University Department of the College to The Deputy Registrar, Accounts Section, Mahatma Phule Bhavan, Vidyanagari, Kalina Campus, University of Mumbai, Mumbai - 400 098 .

The report of the research work carried out by the concerned researcher will have to be submitted to the University on or before 31st December, 2021.

The Principal/Head of the Institute are requested to inform the researcher accordingly and arrange to forward his/her undertaking immediately to enable this office to release first installment of the research grant.

Yours faithfully,

Assistant Registrar
(Academic Planning & Development Section)

MINOR RESEARCH PROJECT (MRP)

Year 2019-2020

- 1] Summary of the Expenditure is to be prepared in following Format :-

Sr. No.	Bill No.	Date	Pariculars / Purpose	Amount

चौथा तल, ईस्ट टावर, एन. बी. सी. प्लेस, भीष्म पितामह मार्ग, प्रगति विहार, लोधी रोड, नई दिल्ली -110003
NATIONAL BOARD OF ACCREDITATION
4th Floor, East Tower, NBCC Place, Bhisham Pitamah Marg, Pragati Vihar, Lodhi Road, New Delhi 110003

File No : 28-425-2014-NBA

Date: 17-02-2022

To,

The Principal
K.C. College of Engineering and Management Studies and Research,
Mith Bunder Road, Near Sadguru Garden,
Kopri, Thane (East), Maharashtra-400603.

Subject: Accreditation status of programs applied by K.C. College of Engineering and Management Studies and Research, Mith Bunder Road, Near Sadguru Garden, Kopri, Thane (East), Maharashtra-400603.

Sir,

This has reference to your application I.D. Nos. 4853-15/07/2020 and 5243-08/01/2021 seeking accreditation by National Board of Accreditation to UG Engineering programs (Tier II) offered by **K.C. College of Engineering and Management Studies and Research, Mith Bunder Road, Near Sadguru Garden, Kopri, Thane (East), Maharashtra-400603.**

2. An Expert Team conducted online evaluation of the programs from **10th to 12th December, 2021.** The report submitted by the Expert Team were considered by the concerned Committees constituted for the purpose in NBA. The competent authority in NBA has approved the following accreditation status to the programs as given in the table below:

Sl. No.	Name of the Program(s) (UG)	Basis of Evaluation	Accreditation Status	Period of validity	Remarks
(1)	(2)	(4)	(5)	(6)	(7)
1.	Electronics and Telecommunication Engineering	Tier II June 2015 Document	Accredited	Academic Years 2021-2022 to 2023-2024 i.e. upto 30-06-2024	Accreditation status granted is valid for the period indicated in Col.5 or till the program has the approval of the competent authority, whichever is earlier
2.	Computer Engineering		Accredited		

3. It may be noted that only students who graduate during the validity period of accreditation, will be deemed to have graduated with an NBA accredited degree.

4. The programs have been granted accreditation for 3 years. **K.C. College of Engineering and Management Studies and Research, Mith Bunder Road, Near Sadguru Garden, Kopri, Thane (East), Maharashtra-400603** should submit the Compliance Report at least six months before the expiry of validity of accreditation mentioned above so as to be eligible for consideration by the concerned Committee in NBA for further processing of the accreditation status.

5. The accreditation status awarded to the programs as indicated in the above table does not imply that the accreditation has been granted to **K.C. College of Engineering and Management Studies and Research, Mith Bunder Road, Near Sadguru Garden, Kopri, Thane (East), Maharashtra-400603** as a whole. **As such the Institution should nowhere along with its name including on its letter head etc. write that it is accredited by NBA because it is program accreditation and not Institution accreditation. If such an instance comes to NBA's notice, this will be viewed seriously.** Complete name of the program(s) accredited, level of program(s) and the period of validity of accreditation, as well as the Academic Year from which the accreditation is effective should be mentioned unambiguously whenever and wherever it is required to indicate the status of accreditation by NBA.

6. The accreditation status of the above programs is subject to change on periodic review, if needed by the NBA. It is desired that the relevant information in respect of accredited programs as indicated in the table in paragraph 2, appears on the website and information bulletin of the Institute.
7. The accreditation status awarded to the programs as indicated in table in paragraph 2 above is subject to maintenance of the current standards during the period of accreditation. If there are any changes in the status (major changes of faculty strength, organizational structure etc.), the same are required to be communicated to the NBA, with an appropriate explanatory note.
8. A copy each of the Report of Chairman of the Visiting Team and Evaluators' Reports in respect of the above programs is enclosed.
9. If the Institute is not satisfied with the decision of NBA, it may appeal within thirty days of receipt of this communication giving reasons for the same and by paying the requisite fee.

Yours faithfully,

(Dr. Anil Kumar Nassa)
Member Secretary

- Encls.:**
1. Copy of Report of Chairman of the Visiting Team.
 2. Copy each of Expert Reports of the Visiting Team.

Proposal for Activity (Version 1.3)

Academic Year: 2022-23

I. Basic Details:

Name of The Activity: Value Added Course on “Microchip-ATMega 16 and Robotics design under E-Yantra”			
Proposed Day & Date of Conduction	Name of Faculties Coordinator	Department	Coordinator 's email & Phone no.
25.07.2022-29.07.2022	Shubhangi Verulkar	EXTC	shubhangi.verulkar@kccemsr.edu.in 9820942080
Time & Duration in hours	Venue	Activity for class/group Student/Neighborhood (Target number)	Nature: Academic/co- curricular / extracurricular/ Environmental/ social/ other
10.30am to 4.00 pm	Microprocessor Lab or Simulation Lab	TE Students of all branch	Academic and Co-curricular

II. Brief Information about the Activity (Criterion no -2(NAAC),2.2.1(NBA):

Details of the activity	Webinar <input type="checkbox"/> Seminar <input type="checkbox"/> Workshop <input type="checkbox"/> Course <input type="checkbox"/> Guest Lecture <input type="checkbox"/>
	Conference <input type="checkbox"/> FDI <input type="checkbox"/> STTP <input type="checkbox"/> Training <input type="checkbox"/> Internship <input type="checkbox"/>
	Industry visit <input type="checkbox"/> (Tick on the applicable)
	Choose any one from the following Topic from syllabus <input type="checkbox"/> Content beyond syllabus <input checked="" type="checkbox"/> Bridge Course <input type="checkbox"/>
	----- Choose any one from the following Value added course <input checked="" type="checkbox"/> Add-on on course <input type="checkbox"/>
	Was the above topic conducted in previous 2A.Y.? No
	If Yes, Name of the internal faculty who attended the same training in previous 2 A. Y. _____
Objective for conducting the activity	The student will able: <ul style="list-style-type: none">• To explore Proteus software to design embedded system circuits.• To explore Microchip Programming• Design of small mini-projects.

Value added courses in AY 2022-23

Value Added Course on “Microchip-ATMega 16 and Robotics design under E-Yantra”

Class: TE and BE

Date: 25th to 30th July 2022.

Venue: Microprocessor lab and Google meet

Conducted under: Value added Cell/

- Objective: To explore embedded system circuits.
- To explore Microchip Programming
- Design of small mini-projects.
- To construct robotic concept (gesture robotics, sensor guided robotics, spy robotics etc
- To examine the different behavior of robotics.

Speakers:

Asst.Prof. Shubhangi V,

Asst.Prof. Pournima Vadak,

Asst.Prof. Mandar G.

and Dr. Rajiv Iyer

Activity Report:

K.C. College of engineering and management studies and research has organized a **30 Hrs Value Added Program** on “Microchip-ATMega 16 and Robotics design under E-Yantra” on 25 th and 29 th July 2022 and conducted Hands on session on AVR programming ,Designing of circuits , Introduction to Firebird-V Robotics Research Platform,Motion control using Pulse Width Modulation in Firebird- V .

Glimpses:

DAY 1:

The screenshot shows a Google Meet interface during a presentation. The main content is a slide titled "Value Added Course on 'Microchip-ATMega 16 and Robotics Design under E-Yantra'". The slide includes the following information:

- Organized by:** Value Added Cell in association with IQAC, CSI and IETE-ISF
- Who Can Attend:** TE Students of all branch
- Venue:** Microprocessor Lab or Simulation Lab
- Activity:** Value Added Course on "Microchip-ATMega 16 and Robotics Design under E-Yantra"
- Duration:** 25-29 July 2022, 10:30 AM to 4:00 PM
- Speakers:** Shubhanshi Verutkar (Asst. Prof.), Manoj Ganjapurkar (Asst. Prof.), Dr. Rajiv Iyer, and Purnima Vadak (Asst. Prof.)

The slide also features a "JOIN NOW" button and logos for the organizing institutions. The Meet interface shows the presenter as Prof. Purnima Vadak, and the participant list includes Avinash Rajak and 29 others. A chat window for Mayuresh Parche is visible at the bottom right.

NOTICE

14/07/2022

This is to inform all the TE and BE students of all branches that Value Added Cell in association with IQAC, IIC, CSI & IETE-ISF organizing “**Foundation course on Blue Prism Robotic Process Automation**” from **1st August to 5th August 2022.**

Topics to be covered:

1. Introduction to Robotic Process Automation RPA Tool
2. What is RPA Blue Prism?
3. Features of Blue Prism
4. Blue Prism Components
5. Benefits of Blue Prism
6. Installation and Hands-on with RPA Blue Prism tool

Link for Registration: <https://forms.gle/BHzNEBL76CDiWt8j7>

Speakers: - Certified Blue Prism RPA Educators

1. Assist. Prof. Anupama Chaurasia
2. Assist. Prof. Suman Bhujbal

Timing:

10.30am to 4.30pm (Including Doubt Sessions)

Venue: - Microprocessor lab

System Requirement

1. Laptop with windows 8.1 or 10 (64 bits)
2. 4GB RAM
- 3.10GB free space HDD

E-certificates will be awarded to the attendees

Note:

Seats are limited only first 30 Entries will be considered

Coordinators:

Mrs. Anupama Chaurasia

Mrs. Suman Bhujbal

Dr. Arundhati Chakrabarti
Vice-principal & IQAC head.

Notice

Date: 13th August 2021

All the T.E. students of A. Y. 2021-22 batch are hereby informed that a value-Added course on CCNA by CISCO is scheduled from 21st August 2021 to 20th September 2021. The detailed schedule and syllabus is attached below the notice. All the students are requested to register for the course. After successful completion of the course, you will certificate from cisco (Network Academy). The registration link is given below.

Proposal for Activity (Version 1.2)

Academic Year: 2020-2021

I. Basic Details:

Name of The Activity: 30 hours Value Added Course on Introduction to “IoT from scratch and Machine learning with Python”			
Proposed Day & Date of Conduction	Name of Faculties Coordinator	Department	Coordinator 's email & Phone no.
13 th to 17 th July 2020.	1.Shubhangi Verulkar	EXTC	Shubhangi Verulkar 9820942080 shubhangi.verulkar@kccemsr.edu.in
Time (Duration in hours)	Venue	Activity for class/group Student/Neighborhood (Target number)	Nature: Academic/co- curricular / extracurricular/ Environmental/ social/ other
1.10.30 AM -12.30 PM 2. 2.00 PM -4.00 PM 3. 2hrs (Self placed)	Google Meet and Youtube.	Group Student SE AND TE and BE	Academic/co- curricular

II. Brief Information about the Activity (Criterion no -):

Topic/ Subject of the activity	“IoT from scratch and Machine learning with Python”
	Choose any one from the following Topic from syllabus <input type="checkbox"/> Content beyond syllabus <input type="checkbox"/> Bridge Course <input type="checkbox"/>
	Choose any one from the following Value added course <input checked="" type="checkbox"/> Add-on on course <input type="checkbox"/>
	Was the above topic conducted in previous 2 A.Y.? NO If Yes, Name of the internal faculty who attended the same training in previous 2 A. Y. _____
Objective for conducting the activity	1) Python is a basic programming language used in design and applications of IoT. 2) Machine learning is an application of artificial intelligence (AI) that provides systems the ability to automatically learn and improve from experience without being explicitly programmed. 3) The aim of this programme is to introduce the participants to the amazing world of IoT.

	4) IOT's fascinating applications.

VALUE ADDED COURSE

Prerequisite concepts

- Basics of Machine Learning
- Basics of Python Programming

Objective of Course:

- To differentiate between Machine Learning and Deep Learning
- Implement Deep Neural Network like RNN, CNN, MLP and their applications to solve real world problems.
- Improve the performance of the Neural network using different technique

Outcome of Course: Students will be able to

- Understand Deep learning Concepts
- Apply different algorithms for the image processing and text processing
- Understand how to measure the performance and improve the performance.

On

*30 Hours course with hands on
starts From 4th July 2020
Only on Saturday and Sunday
2pm-7pm*

Proposal for Activity

File No / Ref. No.

Academic Year:2018-19

I. Basic Details:

Name of The Activity: Android Application Development in Kotlin Workshop in association with Appdid			
Proposed Day & Date of Conduction	Name of Faculties	Department/ Committee	Coordinator Name & Phone no.
28 January 2019 to 31 January 2019	Mr. Darshan Komu & Mr. Rahul Yadav	CSI-KCCEMSR	Prof. Mandar Ganjapurkar
Time	Venue	Activity for class/group Student/Neighbourhood (Target number)	Nature: Academic/co-curricular / extracurricular/ Environmental/ social/ other
10:30 – 4.00	KCCEMSR, Lab 4	Students : SE+TE+BE (Comps+IT) No. of participants : 59	Academic & Co-curricular

II. Brief Information about the Activity (Criterion no -):

Topic/ Subject of the activity	Android Application Development in Kotlin workshop in association with Appdid
Objective for conducting the activity	To provide hands-on experience to students in making applications through Kotlin.
Name of Guest	
Methodology	
Expected Outcome	Student will able to learn new tools used for cyber security and digital forensic
Course Outcome	1) Students learned beginner level of Kotlin 2) Students made 2 basic apps of their own
Program Outcome	PO3, PO4, PO5
Budget Required	No

Approval Status: Yes/No (To be ticked by competent authority with name and signature)

Time	Venue	Activity for class/group Student/Neighbourhood (Target number)	Nature:
10 am to 4 pm	Lab 209	30 Students (IT Dept.)	Academic

II. Brief Information about the Activity (Criterion no -)::

Topic/ Subject of the activity	Workshop on Design and applications of IoT
Objective for conducting the activity	To give students hands-on "Arduino-Uno, Arduino Nano and Node MCU ESP8266 for building IoT Project. It will conceptualize the basics of embedded systems and to learn programming techniques used in Internet of Things.
Name of Guest	Shubhangi Verulkar & Poornima Mahesh
Methodology	2 hrs theory and 10 hrs hands-on session
Expected Outcome	Students will enhance their practical skills. They will be able to build mini projects. Students will learn to work in team.
Course Outcome	1. Identify the requirements for the real world problems. 2. Study and enhance software/ hardware skills. 3. Demonstrate and build the project successfully by hardware requirements, coding, emulating and testing. 4. Demonstrate ability to work in teams and manage the conduct of the research study.
Program Outcome	PO3, PO4, PO5, PO9

Notice

All Teaching, Non-teaching staff members and Students are here by informed that there is a "Yoga Session" arranged on the occasion of **International Yoga Day** on 21st June 2022 from 10.30 am onwards in Seminar Hall. All are requested to attend this event .

Kindly note:

- Light and comfortable cotton clothes are preferred to facilitate easy movement of the body.
- A bottle of room temperature water
- Light food to be consumed and at least 40 minutes of fasting
- Cotton Napkin
- An open mind and smile on your face- ready to explore our unlimited potential

Women Development and Gender Equity Committee
REPORT(2021-22)

International Yoga Day

Thane: Excelssior Education Society's KC College of Engineering & Management Studies & Research(KCCEMSR) Celebrates International Yoga Day on 21 June 2022.The program was hosted by Women Development & Gender Equity Committee, Youth Red Cross, NSS in association with Sense 22 Yoga under the guidance of Mr. Shailesh Patil ,who is a fitness and a health enthusiast.

Principal Dr. Vilas Nitnaware on the occasion said, "Only Yoga can connect body, mind and soul. Regular practice of Yoga not only benefits the mind and body but also instills love and compassion towards one another . Yoga overall heals physical pains through its soothing exercise and helps to have a healthy mind through meditation. "

Managing Director Dr. Sai Kiran Khanna conveyed his wishes and motivated students to practice make Yoga their habit.

The staff and students participated with lot of enthusiasm. They not only enjoyed the stretching exercises and meditation but also pledged to make it a part of life.

Date: 21/06/2022

Time: 10.30 a. m.- 12.00 p.m.

UNIVERSITY OF MUMBAI

Honours/Minor Degree Programs Booklet

Part 1- Manual

(with effect from 2022-2023)

Honours and Minor Degree Programs

in

Engineering and Technology

1. Introduction:

As per the AICTE's Approval Process Handbook-2020-21: Chapter VII- clause 7.3.2 (Page 99-101), all branches of Engineering and Technology shall offer Elective Courses in the EMERGING AREAS viz., Artificial Intelligence (AI), Internet of Things (IoT), Blockchain, Robotics, Quantum Computing, Data Sciences, Cyber Security, 3D Printing and Design, Augmented Reality/ Virtual Reality (AR/VR), as specified in Annexure 1 of the Approval Process Handbook.

- a) Under Graduate Degree Courses in EMERGING AREAS shall be allowed as specialization from the same Department. The minimum additional Credits for such Courses shall be in the range of 18-20 and the same shall be mentioned in the degree, as specialization in that particular area. For example, doing extra credits for Robotics in Mechanical Engineering shall earn B.E./ B.Tech. (Hons.) Mechanical Engineering with specialization in Robotics
- b) Minor specialization in EMERGING AREAS in Under Graduate Degree Courses may be allowed where a student of another Department shall take the minimum additional Credits in the range of 18-20 and get a degree with minor from another Department.

It is also made very clear by AICTE that areas in which Minor Degree/Honours may be offered are numerous. It is up to the Universities with the help of their Academic Board/Council to decide whether Minor Degree/Hons. is to be offered or not in any particular area, which is not mentioned above. AICTE approval is not required for offering Minor Degree/Hons. in any such area, however the criteria that "Minor Degree or Hons. will cumulatively require additional 18 to 20 credits in the specified area in addition to the credits essential for obtaining the Under Graduate Degree in Major Discipline (i.e. 160 credits)"

2. Proposed Honours and Minor Degree:

Honours and Minor degree program is introduced in order to facilitate the students to choose additionally the specialized courses in the emerging areas of their choice and build their competence in such domains. Based on AICTE guidelines, the Faculty of Science and Technology has proposed to offer following Honours/ Minor degree program corresponding to each engineering program:

Table 1: Honours / Minor Degree Programs

Sr. No	Honours/Minor degree programs
1	Infrastructure Engineering
2	Smart Cities
3	Waterways Transport Engineering

4	Professional Practices in Structural Engineering
5	Green Technology and Sustainability Engineering
6	Infrastructure Policies & Regulations
7	Artificial Intelligence and Machine Learning
8	Blockchain
9	Cyber Security
10	Virtual and Augmented Reality
11	Data Science
12	Internet of Things (IoT)
13	Waste Technology
14	Electric Vehicles
15	Microgrid Technologies
16	Robotics
17	3D Printing
18	Industrial Automation

Note: The Honours and Minor degree programs selection for each of the engineering programs offered in University of Mumbai is as given in Table 2.

3. Honours and Minor Degree Eligibility Criteria for Students:

In view of the above-mentioned guidelines issued by AICTE in APH 2020-21 for offering Honours and Minor degree in the various engineering programs, the following recommendations are proposed on the eligibility criteria for students opting for same;

- i) **Eligibility criteria for opting the Honours/ Minor Degree program:**
 - a. **Students with no backlog in semester I, II, and III**
 - b. **The CGPI (based on semester I, II, and III) of the students must be 6.75 and above**
 - c. **For direct second year (DSE) admitted students - No backlog in semester III and CGPI must be 6.75 and above**
- ii) **Each eligible student can opt for maximum one Honour's or one Minor Programs at any time.**
- iii) **However, it is optional for learners to take Honours/Minor degree program.**
- iv) **The Honours/ Minor degree program can be opted only during regular engineering studies**
- v) **The student shall complete the Honours/ Minor degree program in stipulated four semesters only.**

4. Honours and Minor Degree Program Scheme and Structure:

Honours and Minor degree program be offered from academic year 2022-23 onwards along with Rev 2019 'C' scheme syllabus.

Honours and Minor credit courses will be offered from Semester V onwards to Semester VIII

5. Eligibility criteria for Department/Institute to offer Honours/Minor degree:

As the intention of offering the Honours degree program is to facilitate the advanced learners to build their competence in emerging areas with additional in-depth course work, it becomes very essential to ensure availability of such expert faculties and infrastructure with the departments and institutes. **The proposed modality of approval is self-assessment and declaration basis.** Institute can assess on following points before offering Honours/Minor degrees,

1. The Honours Degree program out of 18 programs listed in Table-1 can only be offered by an institute having the regular degree program running as specified in Table 2 column B.
2. Availability of Faculty expertise in domains of Honours/Minor degree domains
 - a. Regular faculty on institute role who has completed PhD/Masters in same domain.
OR
 - b. Regular faculty on institute role who is doing research either sponsored by government agencies or industries or trusts.
OR
 - c. Regular faculty on institute role who has successfully completed certificate course in same domain and able to deliver the expectations of specialisation in emerging areas.
3. Availability of laboratory infrastructure/facilities in domains of Honours /Minor degree
 - a. Established centre of excellence in same domain.
OR
 - b. Built research facilities to facilitate research in emerging areas
OR
 - c. Minimum facility is already developed to conduct hands on experience in chosen domains of Hons and Minor degrees.

Institute shall submit declaration of availability of expertise of faculty members and laboratory facilities to offer Hons/Minor degree to University well in advance (i.e before announcement of admission) for same to the Academic Authorities.

The verification of declaration of institute shall be done by LIC committees visiting for affiliation purpose or academic audit purpose.

6. Examination and Evaluation of Honours/Minor Degree Courses:

In current scenario First Year and Final Year of engineering examinations, assessments and result declaration are entirely done by University, while as in Second and Third Year question papers are delivered by University, assessment and results preparation and declaration after approval from university is done by Institute on behalf of University following all ordinances and regulations of university. Hons/Minor degrees courses will be offered in Third and Final Year of engineering as specialisation in emerging areas.

By keeping in mind availability of expertise of faculty with particular Institute only, proposed following modalities of Examination and Evaluation,

- a. The continuous assessment and End Sem. Examination (ESE) evaluation shall follow the same pattern as adopted for corresponding semester stated by the University.
- b. Question paper will be set and delivered to institutes by University for all Hons/Minor degree
- c. End semester Assessment will be done as per the laid down practices by following all applicable ordinances and regulations of university
- d. Hons/Minor degree courses can be treated as Audit type of courses, wherein passing marks set will be 40. If any student scored equal or more than passing marks in particular course can be declared as pass.
- e. Grading of courses offered under Hons/Minor degree shall be avoided and also not included in overall CUMMULATIVE GRADE POINT AVERAGE, to bring parity with all students admitted for the basic program.
- f. Hons/Minor degree shall be conferred in addition to basic degree only after successfully completion of all courses
- g. University can make provision for entering pass or fail in course offered under Hons/Minor degree on portal.

7. Award of Honours / Minor Degree:

The students successfully completing the Honours / Minor Degree shall be awarded with the degree designated as: "B. E. in(regular) Engineering with Honours/Minor in (specialization)"

Example 1: Students s successfully completing BE in Computer Engineering with specialization (Honours) in Cyber Security shall get a degree as "B.E. Computer Engineering (Honours- Cyber Security) Printing"

Example 2: Students successfully completing BE in Computer Engineering with specialization (Minor) in Electric Vehicles shall get a degree as "B.E. Computer Engineering (Minor - Electric Vehicles)"

Honours and Minor Degree Programs

Mapping with Engineering/Technology Programs in University of Mumbai

Honour's/Minors degree program is being introduced by the Faculty of Science and Technology of University of Mumbai in order to facilitate the students to choose additionally the specialized courses in the emerging areas of their choice and build their competence in such domains. As per AICTE guidelines, Honours/Minors degree program to be chosen by eligible students (based on certain criteria given in manual) studying in third year of various Engineering program's are elaborated in following table to bring clarity to all stakeholders including students, faculty members and institutions. **Each eligible student can opt for maximum one Honour's or one Minor Programs at any time.**

Table 2: Honours and Minor Degree Program Mapping with Engineering Programs

Dear Sir/Madam,

With reference to your Expression of Interest for Virtual Labs Nodal Centre (VLNC), it gives me immense pleasure to designate your college as a Nodal Centre for Virtual labs. As recommended by you, following have been nominated from your college,

Nodal Coordinator : **Prof Purnima Vadak**

Nodal Technical Coordinator : **Prof Suman Bhujbal**

This approval is valid up to 31st Dec 2023 and is subject to the Terms and Conditions mentioned in the Eol and any subsequent directives as issued by MoE. Kindly acknowledge receipt of this letter and acceptance of the Terms and Conditions.

We thank you again for your interest in the Virtual Labs project and appreciate your endeavour in the service of the student community. Wishing you all the best!

Sincerely,

Prof. Santosh Noronha

Dr. Vilas N. Nitnaware

Memorandum of Understanding (MoU)

Between

M/S. AMT Skill Enhancement Institute LLP, 2nd Floor, Nathaganga, Near Prasad Circle, Gangapur Road,
Nashik-422005

And

K. C. College of Engineering and Management Studies and Research, Mith bundar Rd, near Sadguru
Gardens, Kopri, Thane East, Thane, Maharashtra 400603

This Memorandum of understanding (hereinafter referred as MOU) has been reached between M/s. M/S. AMT Skill Enhancement Institute LLP, 2nd Floor, Nathaganga, Near Prasad Circle, Gangapur Road, Nashik – 422005 hereinafter referred to as 'PARTY 1' and which expression shall include it's successor and through its authorized signatory assigned from time to time and K. C. College of Engineering and Management Studies and Research, Mith bundar Rd, near Sadguru Gardens, Kopri, Thane East, Thane, Maharashtra 400603 hereinafter referred to as 'PARTY 2' which expression shall include its successor and through its authorized Signatory assigned from time to time.

Whereas 'PARTY 1' is engaged in activity of training of students of engineering, commerce and other streams and professionals working in various industries institutions, companies towards enhancing their skills & competencies and 'party B' is department of K. C. College of Engineering and Management Studies and Research, Mith bundar Rd, near Sadguru Gardens, Kopri, Thane East, Thane, Maharashtra 400603 an educational institute offering engineering courses .

1. Purpose & Scope of the AGREEMENT & MOU

This Agreement is entered between both the PARTIES in good faith, where the First Party undertakes responsibility to educate the Trainee / Student in the field of Skill Enhancement (Mainly including automation and other skill enhancement programs), and to impart practical knowledge by utilizing the services made available only for the Online, offline, hybrid learning process.

Major areas identified by mutual understanding & discussion are as under
Creating a center of excellence at KC College Thane covering various areas

2. Terms of Interactions of the MOU

For the purpose of this Agreement - MOU, the term "the Disclosing Party" shall be the PARTY 1 that discloses confidential information to the Receiving Party and the term "the Recipient" shall

Mith Bunder Road, Near Sadguru Garden, Kopri, Thane (E) - 400 603.

be the PARTY 2 that receives Confidential Information from the Disclosing Party. The PARTY 2 will share with PARTY 1 only such information like, name, email and mobile number towards having the students get enrolled for the Automation and other skill enhancement programs to be conducted online, offline, hybrid.

Both PARTY 1 and PARTY 2 shall encourage interactions between the Trainers from Party 1, Faculty members and Students from Party 2 through the following arrangements:

2.A From PARTY 1

2.A.1 Employability Enhancement and Competency Development Programs:

2.A.1.1. Finishing School Concept Designed for the Engineering and non-engineering students like Arts, Commerce and Pharmacy graduates, etc. creating awareness about the employability spectrum after diploma & graduation, brushing their basic skills, personality development along with soft skills, developing competencies necessary for industry. Proposed for: All Professional Courses including Graduates and Post Graduates.

2.A.1.2. Professional development in "Industrial Automation" Training the students as well as industrial professionals in the areas of Electrical and Electronics Automation, Drives, PLC and SCADA, HMI, Robotics and Digital Manufacturing technologies. Party 1 to provide necessary equipment as per annexure 1 at free of cost. Computers / Desk top with authorized operating system to be provided by Party 2. Course fee for students of KC College will be at a discounted rate as agreed mutually. Proposed for: Engineering stream

2.A.1.3. Competency Development of faculty members teachers/Lecturers/Professors of Professional Institutes Training of the Trainers so as to keep them updated with latest trends in technology and improve their effectiveness in teaching/training.
Proposed for: All Trainers of Diploma , Graduation and Post-Graduation Colleges.

2.A.1.4. Seminars, Webinars, Workshops for Young Professionals Creating awareness about the Expectations of the Industry amongst the Young Professionals Proposed for: Professionals of Engineering and MBA Colleges.

2.A.2. Personality Development with behavioral competency gap analysis and development Customized training modules for Personality development in assistance with behavioral competency development Proposed for: All

2.A.2.1. Industry Exposure for Students & Faculty members: This will be in collaborative activity with college, local industry and institute. Process deployment and quality aspects of the activity will

be mutually agreed with the college and industry.

- 2.A.2.2. Internship support specific to the Academic Year in Industry of KC College students
- 2.A.2.3. Support for Hands on Project work for KC College student
- 2.A.2.4. Placement support/Apprenticeship Opportunities
- 2.A.2.5. On the job experience to the teaching faculty of KC College Working on the field to get Hands on Industrial experience and team-oriented work. One faculty relevant to the field of training could also be considered for participation at no charge. This faculty may assist resource person of Party 1 in future. The trained faculty will play a role of mentor & will also act as SPOC for the similar training program in future.
- 2.A.2.6. Services to the industry in collaboration with KC College for business excellence
- 2.B From PARTY 2
 - 2.B.1. Support for Planning, Organizing and Execution of online, offline and hybrid programs conducted by PARTY 1
 - 2.B.2. Support to interested candidates for adjustment as per Academia Calendar.
 - 2.B.3. Party 2 to provide infrastructure- Classrooms with seating facility for students & table & chair for trainer, Laboratories with tables for installation & mounting of training equipment's & storage cupboards for training material, Office space with requisite furniture for 3 staff etc. Power supply, Internet & other necessary provisions Provision of display for promotional content.
 - 2.B.4. Support in enrollment of courses, details of targeted students, publicity and promotions of the programs conducted by AMT Skill Enhancement Institute LLP branding at KC College Thane
 - 2.B.5. Protection of AMT interests in any eventuality

3. Confidentiality and IPR

"Confidential Information" shall mean all such information that comprise of "Intellectual Proprietary Rights" of the PARTY 1 including but not limited to terms of this Agreement,

data or facts collectively or severally, disclosed by the disclosing party under this agreement or any subsequent agreement, whether in writing, verbal or electronically, irrespective of the medium in which such information is stored, which is marked confidential or with any other words having similar meaning by the disclosing party, or specifically agreed to be kept confidential by the PARTY 2, or declared or identified so by the disclosing party before such disclosure or during the discussions.

- a) Power Point Presentations [PPTs], hard copy materials, source codes of the projects and lab exercises, videos and technical contents of all the programs, commercial, technical and artistic information relating to PARTY 1, business , operation, maintenance, marketing and promoting of its own services, experimental work , software, technology, methods, documentation, designs and materials and general trade secrets of PARTY 1 are intellectual property of PARTY 1, as well as any other information labeled "Confidential" by PARTY 1 or accessible to or provided to the Trainee under this Agreement, whether protected under law or not. The Confidential Information and obligations thereto shall apply irrespective of the form in or the media on which such information is displayed or contained.
- b) The PARTY 2 understands and agrees that any patent or copyright or any other Intellectual Property developed by the Trainee during the Training period by utilizing the services and facilities of the PARTY 1, shall solely vest with the PARTY 1 and PARTY 2.
- c) All the Documents pertaining to confidential information shall be returned to the PARTY 1 by the Trainee once the Training is complete or as and when requested or directed by the PARTY 1.
- d) During the tenure of the MOU both PARTY 1 and PARTY 2 will maintain strict confidentiality and prevent disclosure of all the information and data exchanged under the scope of this MOU for any purpose other than in accordance with this MOU.
- e) Both PARTY 1 and PARTY 2 shall bind their respective personnel who come into possession or knowledge of any confidential information not to disclose the same to third parties without written approval of the disclosing party or use such confidential information for any use other than intended under this agreement or projects.
- f) Further both PARTY 1 and PARTY 2 shall put in place adequate and reasonable measures to keep and store confidential information secure so as to prevent any unauthorized use.

4. Amendments

Any amendment and/or addenda / annexure to the AGREEMENT shall be in writing and signed by both the PARTIES hereto and shall only after such execution be deemed to form part of the AGREEMENT and have the effect of modifying the AGREEMENT to the extent required by such amendment or addend

K. C. COLLEGE OF ENGINEERING AND MANAGEMENT STUDIES AND RESEARCH

NAAC Accredited B++ Grade

(Affiliated To University of Mumbai, Approved by AICTE & DTE)
(DTE Code 3210)

Date : 28/09/23

5. Effective date and Duration of the MOU

- This MOU is signed on 27 September 2023 and shall be effective from the date of signing of both PARTY1 and PARTY 2 by competent authorities at both ends.
- The duration of the MOU shall be for a period of One (1) Year(Twelve (12) calendar months) from the effective date.
- During its period, the MOU may be extended or terminated by a prior notice of not less than three months (3) by either party. However, termination of the MOU will not in any manner affect the interests of the students/ faculty, who have been admitted to pursue a program under the MOU but not exceeding the validity of the course duration as mentioned in the Quotation.
- Any clause or terms of the MOU may be modified or amended by mutual agreement of PARTY 1 and PARTY 2 in writing.

6. Finances / Revenue sharing program wise

Finances of each program and its engagements will be discussed time to time for mutual agreements. It has been decided in principle that revenue generation from all activities conducted by Party 1 & Party 2 jointly will be on sharing basis between Party 1 & Party 2 as agreed mutually, where course fees will depend on course to course basis , to be mutually agreed upon. However, revenue to be shared with PARTY 2 could vary from (30% to 40%), depending on the type of program, involvement of PARTY 2 and the fees charged from the students. KC students will get 20% discount on the offered fee structure of the course.

7. Resolution of Disputes

- This agreement shall take effect and be construed in accordance with the Laws of India and be subject to the jurisdiction of the courts in Thane, Maharashtra- India.
- The dispute or difference whatsoever arises between the PARTIES in relation to or in connection with this AGREEMENT both the PARTIES shall first try to resolve the dispute/difference amicably between themselves, failing which the matter shall be referred to and settled through arbitration. **The arbitration proceedings** shall be held in accordance with the provision of Indian Arbitration and Reconciliation ACT, 1996. The venue of arbitration shall be Thane, Maharashtra- India and Language of arbitration shall be English.

Ref. No. Miscellaneous

Date : 27/09/23

- The headings and sub-headings are inserted for convenience only and shall not affect the construction of this Agreement.
- Both PARTY 1 and PARTY 2 shall not, during the term of this Agreement directly or indirectly, solicit or offer employment or engagement to any of the personnel of other party without the prior consent in writing of that other party.
- After this Agreement has been signed, all preceding understandings/ negotiations and correspondence pertaining to it shall become null and void.
- All obligations created by this Agreement shall survive change or termination of the PARTIES' business relationship for a period of no more than _years.
- Audio-recording or videotaping of any of the Online, Offline or Hybrid Courses trainings is not permitted.
- PARTY 1 (AMT Skill Enhancement Institute LLP) reserves the right to substitute an instructor(s)

Course prices are subject to change and will inform PARTY 2 accordingly.

Place:

Date :

K. C. College of Engineering and
Management Studies and Research
(PARTY 2)

Mr. Sandeep Karkhanis
Executive Director

AMT Skill Enhancement institute LLP
(PARTY 1)

Dr. Vilas N. Nitnaware
Principal
K.C. College of Engineering &
Management Studies & Research

AMT Skill Enhancement Institute LLP
2nd Floor, Nathganga, Near Prasad Circle,
Gangapur Road, Nashik, Maharashtra-422 005

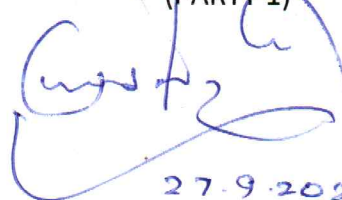

K. C. College of Engineering and
Management Studies and Research
(PARTY 2)

Mr. Surendra Pujari
Director

AMT Skill Enhancement institute LLP
(PARTY 1)

27.9.2023

Annexure 1: (To be provided by AMT SEI)

Sr.No	Material description	Quantity
1	Experiment Panels consist of MCB (1), SMPS (1) , Selector Switch (5) , Push Button (2) , AC Lamp (4) , DC Lamp (3), DIN Rail with Connectors, Earthing Connector Strip	5
2	Digital counter XTC5400 Selec	5
3	PID Controller TC518 Selec	5
4	Through Beam Optical Sensor	1
5	Retro-Reflective Optical Sensor	1
6	Diffused Scan Optical Sensor	1
7	Quadrature Encoder	1
8	Limit Switch	1
9	Float Switch	1
10	Reed Switch	1
11	24V DC Relay	10
12	Relay Bases	10
13	Power Contactor	15
14	Overload Relay	5
15	Add ON Blocks NO Type	10
16	Add ON Blocks NC Type	10
17	Star Delta Timer	5
18	Inductive PO Switch	5
19	Inductive PC Switch	5
20	Inductive NO Switch	5
21	Inductive NC Switch	5
22	RTD - Pt 100	5
23	Lamp 60W@230V	5
24	Lamp holder	5
25	Counter XC200 NX Selec	1
26	Digital multimeter Rishabh410	5
27	Siemens AC Drive V20 SI-6SL3210-5BB13-7UV1 (0.5 HP, 1 PH)	5
28	Tachometric 3 Phase AC Motor (1/2 HP) (6 Terminal, 230V / Delta)	5
29	10K-Single Turn Potentiometer	5
30	MicroLogix 1400 Bul.1766 L32BXBA CPU - wired with connectors	1
31	S7-1200 6ES7215-1AG40-0XBO (CPU 1215C) - wired with connectors	1
32	HMI 6AV2123-2DB03-0AX0 (KTP400)	1
33	Tester	5
34	Stripper	5
35	Screw-driver	5
36	Wire Bundle (0.5 sq mm multi-strand copper wire)	1
37	Selec XTC5400 user manual print	5

Annexure 1: (To be provided by AMT SEI)

38	Selec TC518 user manual print	5
39	Siemens AC Drive V20 Parameter list print	5
40	Brackets for wall mounting of panels	5
41	PLC/ HMI kit with Power cord having Potentiometer(2) , Selector switch(3) , Lamps(16) , Relay board (4 x3) , Toggle switch (16) , Timer & Counter (1) ,PID controller (1) ,Prox Sensor (2) ,MCB (1) ,SMPS 1	1
42	Ethernet cable	1
43	Connectors for PLC kit-Male	1
44	Connectors for PLC kit-Female	1
45	Wall mounting brackets for panels	5
46	Base plate for Drive with connectors	5
47	Projector/ TV	1
48	Projector HDMI cable	1
49	DP-HDMI converter (if needed)	1
