### Alumni Feedback

Date: 04-11-2023

Alumni are the biggest treasure of our institute. You are a connect between our glorious past and consistently evolving present. Your suggestions are valuable for us and will help us match with the ever evolving and challenging future.

Name of the Alumni: Rushikesh Sunil Jogdale

Year of Passing: 2021-22 Branch: IT

Mobile No: 9076430903 E-mail: rushikeshjogdale49@gmail.com

Current Occupation: Service/Entrepreneur Working domain: IT

Designation & Company: Associate Software Engineer

Higher Education Details (If any): B. E.

Here are some of the points to facilitate you in giving feedback about our College and our students. You are requested to add tick mark in one of the boxes provided against each item.

Sr.No	Particulars	Excellent (3)	Satisfactory(2)	Poor(1)
1	Did you find Engineering knowledge you had gain is useful in your career?(PO1)	✓		
2	Have you provided any solution for a real world problem applying your engineering knowledge and skills? (PO2 &PO3)	✓		
3	Were the Programming and analytical skills covered in your syllabus are sufficient? (PO4)	✓		
4	Did you find academic initiatives taken by college (Guest Lecture/Workshop/ Industry Visits) were useful for awareness of latest trends and technology in industry? (PO5)	✓		
5	Have you demonstrate the knowledge of sustainable development in professional life? (PO6 & PO7)	✓		
6	Was professional communication skill & ethical responsibility nurtured during your college journey? (PO8 & PO9)	✓		

Figure 1.: Sample Alumni Feedback Form for 2023-24

7	Were team building and leadership qualities inculcated in you by different activities throughout the engineering program? (PO10 & PO11)	✓		
8	Did the different activities (Technical/ Cultural/Sports) organize by college/Institute were useful for overall development & Learning? (PO12)	✓		
9	Did you find recent development in institute is appreciable?	✓		

What gap have you identified between your academics during studentship and industry requirements?

Conduct Workshop for New Technologies in the Industry (for example: next Angular, React.js)

Suggestions to fill the curriculum gap

Improve the skills as per the industry wants not only a theoretical knowledge please improve the skills by communication

In how many ways you can contribute to your college: (Kindly tick on the options)

- Mentoring Students: Mentoring and guiding 2-3 students throughout their engineering education.
- Placements: Sharing news about fresher's hiring, giving HR references for placements.
- Project: Providing projects, mentoring for projects etc.
- Inplant Training: Giving references and helping students for inplant training.
- Networking with industry: Providing references to proceed further.
- Expert Lecture: Delivering lectures for 1-2 hrs on technical or soft skills topics in a year or suggesting someone for expert lecture
- Financing: Providing any kind of monetary or financial aid i.e. sponsorships for events, or donation for Lab Instruments etc.

Any references for above activities:

Feedback of : Alumni

Dept. : I.T.

Date : 26<sup>th</sup> June 2020

No. of Participants : 45

Sr.No.	Suggestions	Plan of Action
1.	More focus and emphasis to be given to internships and active projects	Internship and trainings provided by TPO for SE,TE and BE students
2.	Regular guest lecture, mentoring session for students from industry experts	Industry expert sessions and hands on conducted and some sessions will conducts in this sem
3.	Practical labs and tools /softwares they should be upgraded as well as updated	We have provided hands -or training to students through workshop and training for new tools and software
4.	go for some course like CCNA OR LINUX	Free course certification like coursera and Edx provided by Institute and encouraging students to do technical courses
5.	Practical oriented new technology knowledge required	
6.	Internships , Competitions and Hackathons, International Universities collaboration and students exchange	Students are participated in Hackathons and project competitions for industry training MOU has been done with some industry
7.	Encourage students to explore their creative side , develop more life skills such as critical thinking, decision making, creative thinking, creators mindset etc.	We have encouraged and provided internship to our students for working on real time projects in industry
8.	We need practical case studies , white papers , templates to be used	We encouraged students to publish papers in journals and conferences . In practical we generally used case studies.

  
Alumni Co-ordinator
