Report
on
"Creative Layout Modelling Activity on VLSI"

Date : 11th October 2021

Students Targeted : T.E. EXTC

Faculties arranged the activity : Ms. Sumita Gupta

Objective: To get awareness of Fabrication process & layout of various CMOS structure

An Activity called "Creative layout modelling Layout Model of Different types of CMOS Structures" was organized & arranged by Prof. Sumita Gupta of Electronics Department under IETE-ISF banner for the students of T.E. Electronics & Telecommunication Department on October 11th 2021 at 11:30 a.m. through online google meet.

The session started with creation of various layout models of different digital circuits with CMOS implementation. Students created 2D & 3 D layouts using different creative materials like ice cream stick, old wire, straw, newspaper, mat paper etc. The Judgment was done by Ms. Paurnima Vadak .
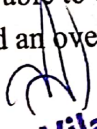

The winners were

1st: Baishali Chaudhry ,Tanishka Bhikot, Gauri Lakeshri, Ankita Khokale

IInd : Shubham Jha, Gopal Asolkar ,Sarvesh Idekar ,Vishwjeet Ghata

At the end the students were able to come up with their creative minds along with different topics of VLSI. The students had an overview of how the team will work in a group with different views & minds.

Judges for SWAYAM KALAM – A PowerPoint Presentation:

1. Dr. Avishek Ray
2. Prof. Yogesh Karunakar

Report of the Event:

On the occasion of **73rd Republic Day of India**, IETE-ISF of KCCEMSR had organized an inter-collegiate PowerPoint presentation Competition under **Azadi ka Amrit Mahotsav**. The event started by welcoming our honorable Principal, Vice-Principal, HoD of EXTC Department, IETE-ISF Conveyer of KCCEMSR, the faculty members and all the participants of the event. Then our Principal Dr. Vilas Nitnaware expressed their views and thoughts about this event followed by HoD of EXTC Department Dr. Rajiv Iyer and IETE-ISF Conveyer Dr. Baban.U. Rindhe. After that, Aayush Chandorkar of SE EXTC gave a short speech on Republic Day.

The speaker then introduced the judges for the competition Dr. Avishek Ray and Prof. Yogesh Karunakar and explained the rules to everyone. The participants were divided into two groups where the judges in each group evaluated them on the basis of their presentation skills, confidence, clarity and content. Twelve teams across different institutes have participated and gave captivating presentations. Each team was given 7 minutes to present their PPT's on any one of the topics given and 1 minute for question-and-answer session. In each group IETE coordinator was present to keep a track of time of the presentation.
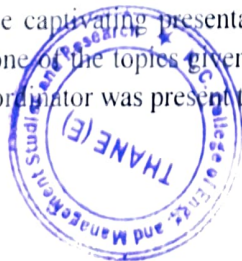

Dr. Vilas N. Nitnaware
Principal
K.C. College of Engineering &
Management Studies & Research.

Prior to the announcement of the winners, the judges gave their comments and words of wisdom to the students so as to further improve their presentation skills. Out of all the participants top three winners were announced. The first winner won a prize of free HRS Course/value added course and the runners-up were rewarded with the winning certificates. Everyone congratulated the winners for their achievements. In the end the event was concluded with the vote of thanks to all the participants, organizing team and the faculty members
