Name of Activity: Guest lecture on UHV: Value Fuel your professional career-organized by Department of HAS - (2021-22)

Date: 6 June 2022

Time: 2:00 pm – 3:00 pm

Participants: Students of First Year Engineering

Name of the Guest Speaker: Dr. Puja Rai Pradhan

No of participants: 176 students

Objectives: To help students to develop a holistic perspective about life through a self-reflective methodology.

Description:

Introduction:

First year student, Ms. Jyoti Maurya introduced the speaker, Dr. Puja Rai Pradhan to FE students. She shared her academic experience and expertise too. She asked the students to take active part in this lecture.

Lecture Details:

Dr. Pradhan started by asking, "What are values? And why are we learning the values now?"

She added further that since A.I. has been introduced, there has been a social disconnection. In the up coming years, skills and knowledge will not matter any more. Most of the knowledge and competence can be brought or be taken over. Data is sold now a days and people are tracking you all the time. Design and value delivery is most important. Make a habit of reading newspapers and this will give you a higher value. This also increases the understanding and creativity. The one who knows proper values can make better decision in their life. This also affects marriages. In a successful relation your values and other persons values are supposed to match. Or else it might not end up well. The seminar ended on a happy note.

KC NSS 2021 - 22

Vaccination Drive held on 28th October 2021

The Maharashtra Government began a week-long Special Vaccination drive for college students in the state from October 25 to November 2. The immunization campaign, "Mission Yuva Swasthya" was implemented for the vaccination of college youth against Covid-19 in the state. The NSS unit of KC College of Engineering and Management Studies and Research organized the Vaccination Drive in College Seminar Hall at 11 am to 4 pm on 28th October 2021. Our honorable Principal Mr. Vilas Nitnaware, NSS Program Officer Prof. Pratap Nair inaugurated the program.

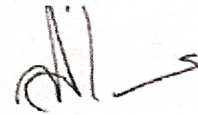

The program started with the online registration of Vaccine through Arogya Setu App. During this drive Standard Operating Procedure (SOP) of Vaccination was followed appropriately. The students along with their parents, teachers and other staff members of college were inoculated as part of the drive. Parents were thrilled that colleges are taking the initiative of vaccination, because they have planned to restart offline classes and such drives may result in fewer disruptions in the academic year of 2021- 2022 during the predicted third wave.

As such 79 people took advantage of this drive, it was a successful Vaccination drive of our college.

The NSS Unit of K C College of Engineering and Management Studies and Research organized the "Organ Donation Awareness Training Program". The program was held by the v4organs foundation. The training program started on 11/01/2022 in virtual mode.

The session commenced with the National Anthem and NSS Song. This training program was hosted and managed by NSS volunteer Prathamesh Pandey. NSS volunteer Shravani Sawant was the program coordinator. Wonder Stories of Organ Donation was shown to all the NSS volunteers during the training program. Followed by that, NSS volunteers Ritika Parate, Ayush Verma, Siddhesh Bakre, Sneha Santhoshkumar read and explain to all about the regulator and the misconceptions about organ donation which were given in study materials provided by V4organs foundation. After completion of the chapter, all NSS volunteers gave a quiz based on the chapter. After the two-day session all volunteers completed the training program individually before 19/01/2022. And after completing the organ donation awareness program all volunteers got their certificates.

The Organ donation awareness training program was successful, all NSS volunteers gain much knowledge about organ donation and how to deal with misconceptions related to organ donation.

A Report on Organ Donation Awareness

In order to distribute the messages of organ donation all over the country, to aware the people aware about the need of organ donation and also to motivate and encourage them towards organ donation in their life. To achieve this objective, NSS unit of KC College of Engineering and Management Studies and Research organised a 20 hours of ORGAN DONATION AWARENESS PROJECT from 25th April to 3rd May 2021 at 6:30pm.

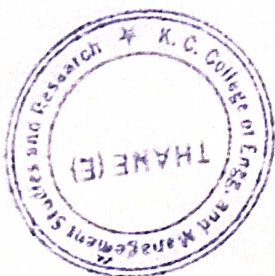

'Online training program on organ donation awareness' was of 9 sessions each of 40 minutes for the NSS Volunteers and the students of the colleges affiliated to the University of Mumbai. After that volunteers attended the quiz and filled the feedback form. The webinar was found very insightful and helpful.

PROJECT
PROJ008091

- There's usually a taboo about periods and menstrual hygiene in general among young girls .
- This event was aimed to create an awareness about Menstruation among young girls.
- 85 Sanitary pads were distributed among all the young girls of standard 6th & 7th.
- The team projected a video showcasing the processing of Menstruation , how to use a sanitary napkin and how to dispose it properly.
- Also the team tried to make the young girls comfortable about the topic of Menstruation and not to be afraid about it as it's a biological process.
- The outcome of the session was- to educate young girls about menstruation and create awareness about the same.
- The pads were distributed in a government school in Kalyan named **Jcs. Swami Samarth Vidyalaya School Nandivali,Kalyan(E).**
