 - d. Prepare students for different types of Job Interviews
 - e. Improve the professional communication of students in the English language for successful business interactions
 - f. Creating a high-profile LinkedIn Profile
 - g. Help students develop job search skills, interview skills, and salary negotiation skills
 - h. Provide sessions on the personality development of students
 - i. Conduct mock interviews and mock placement drives for students
 - j. Provide industry-specific insights to students

2. Period of MOU:

This MOU shall come into force and effect from 1st August 2022 and shall remain valid for 3 years (from the date of commencement).

3. Roles & Responsibilities of the KCEMSR College:

- i. KCEMSR shall provide the infrastructure of Place, Resources, Systems, LCD Projector, etc. for the Job Preparation Fair. Also, as the other labs, software, and other equipment, if required.
- ii. KCEMSR will act as a medium of communication between the students and TrainingInbox for training sessions, Projects, Products, Internships, Events, etc.
- iii. KCEMSR will assign a Coordinator to work directly with TrainingInbox to enhance the student's learning experience and in resolving issues, if any, in order to make the overall internship Program flawless.
- iv. KCEMSR will ensure that students follow all the norms of the company during the sessions and training period.
- v. The intellectual property created during the training period and sessions will be owned by TrainingInbox Edtech Pvt. Ltd for the sole of their purpose.

Dr. Vilas N. Nitaware
Principal
K.C. College of Engineering &
Management Studies & Research.

4. Roles & Responsibilities of TrainingInbox:

TrainingInbox will provide facilities Online and Offline depending on the participants of the students on content, learning & support, and mentorship within its capabilities, which may be necessary to the student's effective performance of his/her learning task.

- i. TrainingInbox also agrees to help and mentor deserving and shortlisted Students to develop Industry Oriented Projects as per requirement in a customized manner as per their skillset and area of interest.
- ii. TrainingInbox will monitor the fulfillment of the student's time and work requirements by the endorsement of time records, completed by the student during the training sessions.
- iii. TrainingInbox agrees to issue a participation Certificate to the student who successfully completes their training program with all the deliverables required as per terms and conditions.

5. Certification:

Certificates/E-Certificates shall be awarded to the students on successful completion of the training/ work/ task outsourced/ assigned by the TrainingInbox as per the rules of the organization.

6. Limitations and Warranties:

Both parties agree that it would be their Endeavour to prevent any liability arising out of default or non-compliance with the MOU terms by the other party.

7. Termination:

- i. Both parties can terminate the MOU with a prior written thirty (30) days' notice on default of terms of non-adherence to any condition or responsibilities by the other party as outlined in this MOU in case such default is not rectified within such 30 days.
- ii. Both parties also agree that it would be their professional Endeavour that despite any termination of the MOU, progress would continue, without any prejudice to the ongoing Projects / Research & Development Work, which would be without any hindrance and would be progressed for completion.

8. Entirety & Amendment:

This MOU contains the entire understanding between the parties in relation to the Industry & Institute Collaboration for skill development and collaborative programs for students and faculties on Next Gen Frontline Technologies.
