Greetings Ravi Sir,

This is Amardeepsingh here. First of all I am really grateful about your welcoming gesture and thank you for doing this. Following up on our conversation from whatsapp I have attached a brief agenda about our session with students. Kindly let me know if you have any questions or concerns. I would also like to let you know that one of my colleagues from microsoft would also be joining me for the session. I hope that is not a problem for you. I have added his details in the agenda.

Thanking you,
Regards,
Amardeepsingh

Dear sir/Ma'am,

Greetings from Global Talent Track, Pune!

It is our pleasure to introduce Global Talent Track (GTT); an Skill development- training venture, set up by some of the best minds from the industry, education and technology domains. The venture aims to provide 'quality with scale' through programs delivered with the help of innovative technologies and compelling content.

As part of RBL - CSR initiative, we are offering short term CSR(Corporate Social Responsibility) of 10-14 Days duration, focusing on Financial Services

Eligibility for this program is any BFSI graduates* from ST/SC/OBC/NT background having Family Income below 2.5 lacs.

*BFSI Graduate :-Finance & Accounting-graduates like B.COM / M.COM / MBA FINANCE/ BBA

The objective is to train the youth from economically disadvantaged background and provide them with core Soft Skills Training, Financial Service Training to access the employment opportunities.

We would also like to mention that the entire program is being funded by RBL, Candidates need not to pay anything for this training This is free of cost training

Training Program Details:

1. 10-14 days of high impact workshop by industry expert on Soft Skills(Communication) and Aptitude topics as mentioned below.

Online Training Program Details:

1. The training covers Domain and Communication topics: through Online training portal
2. Post online training all the student needs to undergo an assessment
3. All the participating student would get Certificate from Atos Syntel once they are done with the training.

Good morning sir,

Regarding our expectations out of mentoring the students, all we hope for is that end of this program we get a feeling of accomplishment in helping students guide in their tech journey. We expect a level of seriousness and motivation from the students that results in us spending our time in a meaningful way.

Does this answer your question? Feel free to let us know if you need more information from us.

Thanks & Regards,
Amardeepsingh

Dear Mr Amardeep and Mr Gaurav,
Firstly let me extend my gratitude towards your continuous efforts for the session which was organized on 13th July 2020. It was a huge success. Extending the association to the next level we will host it for Mumbai UG(Engg) students too. On this I will soon confirm the date. For the mentoring segment let me also understand your expectations so that with total clarity I can move on this as well. The proposal which you have shared is very clear and transparent. Kindly let me know if you have any expectations out of mentoring our students.

Warm regards,
Ravi

Business Standard

According to Rajat Kharbanda, Client Partner, Research, and Consulting, 6Wresearch, says, "The construction vehicle segment accounted for the largest revenue share of India's construction equipment market, followed by earth-moving equipment, concrete equipment and material handling. Government of India's Make in India campaign, the smart cities project and the housing-for-all scheme covered in over 300 cities would provide necessary boost to the demand for construction equipment in the years to come".

According to Anuj Mehrotra, Client Partner, Research, and Consulting, 6Wresearch, "The Middle East's commercial security market will be worth \$8.4bn (AED30.85bn) by 2025, and will demonstrate a 16% compound annual growth rate (CAGR) over the next two and a half decades"

Constructor Week

Saudi Gazette

According to Ravi Bhandari, Research Consultant, 6Wresearch, "Growth projections are being accredited to economic growth and an increasing demand for sophisticated detection and fire-fighting systems with the bulk of the demand emanating from the commercial and industrial buildings sector."

According to Akshay Thakur, Senior Research Analyst, Research and Consulting, 6Wresearch "The lighting industry is witnessing a significant growth in Indian market specifically if I talk about LE it has grown significantly in the last 11 months or we can say in last 2-3 years specifically after the government initiatives such as UJALA scheme, Street Light National Programme (SLNP)."

According to Chhavi Malpani, Senior Research Analyst, 6Wresearch, said: "The Asian region accounted for highest revenue share in the global elevator and escalator market and is anticipated to dominate the market during the forecast period as well, owing to increasing commercial activities, rapid urbanisation and robust growth of construction industry in the region."

According to Akash Jain, Research Analyst, Research, and Consulting, 6Wresearch, "India digital signage market is projected to reach \$874 million by 2022. Apart from Samsung, the other key players include LG, Panasonic, Sony, Xtreme-Media, Nusyn Digital (Formerly Scala), Vyoma, LiveMedia, and others."

According to Prateek gupta, Research Analyst, 6Wresearch, said: "The Indian online grocery market is set to grow at a CAGR of 62% between 2016-2022. The segment, apart from the government approval, had demonetisation to thank for driving further traffic or attention in the very least towards itself."

Market Research

Certification and Training Program Overview

Shefali Goel

Assistant Manager Research

Shefali is the Assistant Manager Research at 6Wresearch with more than 5 years of experience. She is responsible for executing several syndicated and custom assignments in security and surveillance, building automation, electronics, heavy industries and other solutions. The projects involved market sizing, competitive benchmarking, evaluating industry structure and dynamics.

Professional with a Master of Business Administration (MBA- Strategic Research and Finance) to create value for large to mid-size corporates. She has played a key leadership role in handling the team of researchers. Under the guidance and supervision of Shefali, the team has helped several MNC in identifying growth opportunities and recommended them to properly align their business strategies according to the required need of end users and customers.

Dr. Vilas N. Nitnaware
Principal
K.C. College of Engineering &
Management Studies & Research.

With this training which is especially designed for learners with no previous Market Research experience teaches a comprehensive marketing research approach that will help learners find and communicate the story in the data.

Students will learn how to initiate a research project for targeted business needs, conduct research through multiple modes and datasets, analyze research data, manage suppliers performing specialized research, and deliver recommendations from the research. By the end of the specialization, learners will create and scope a research proposal, conduct desk research, design and test a focus group guide, interpret focus group results, design and implement a survey, analyze quantitative data, develop insights by synthesizing findings across research methods, create data visualizations in Excel, and develop a presentation of findings with recommendations to stakeholders.

What Will You Learn ?

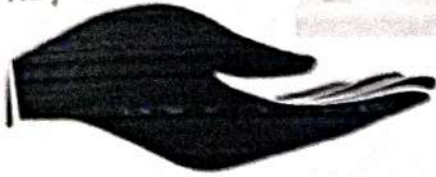

- Understand the exhaustive market research process
- Compose a professionally packaged research plan or proposal
- Understand the wide aspect and limitations of qualitative and quantitative research
- Design an effective questionnaire and launch your survey to the target audience
- ~~Analyze focus group data and create a focus group report following common business practices in~~ qualitative market research
- Analyze survey results, perform basic calculations, synthesize research findings and develop and deliver insights

Dear Mr Ankur,

Greetings from KCCEMSR!

As discussed, kindly provide us a slot for a short online session for our UG Engg students in order to push the campus placement process.

Shall we expect the slot on 9th Sept 2020, Friday?

Students from all the three branches (IT/Computer/EXTC) are likely to attend that.

Thanks in anticipation.

Warm regards,

It was very helpful and I've gained so much knowledge related to Banking and also in other fields

It was an amazing session and all the speakers were awesome.

It gave us over all knowledge for our future development

The speakers and all were good. Good and informative session.

A Good Non-Technical 3 day workshop

Workshop was very good and got amazing knowledge, thanks to flavi sir for arranging the workshop

It was a very informative workshop not only for banking but also for our career

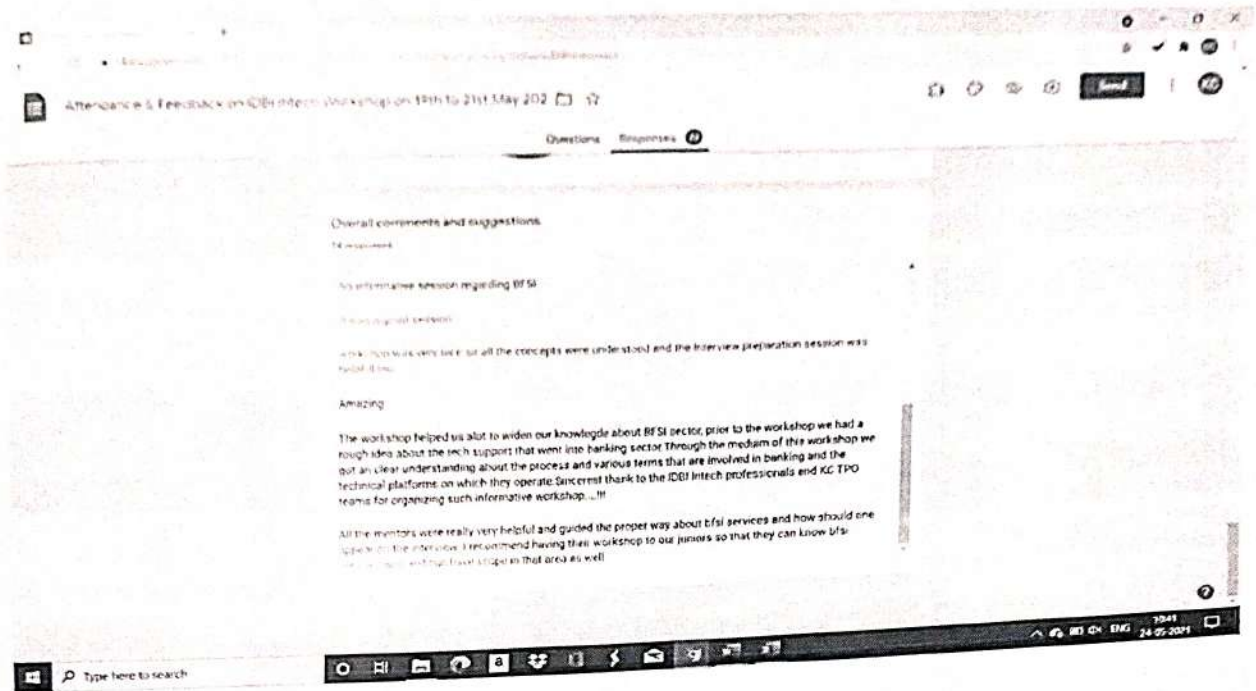

I got to know a lot about banking in general and the speakers shared us about what happens at the backend of bank.

So informative session zanzarion BFSI

greatest highest / largest = HCF

Formula of LCM and HCF-

Application

Smallest least / minimum = LCM

Find the greatest number that will divide a, b, c leaving remainder x, y, z respectively	Find the greatest number that will divide a, b, c leaving a same remainder	Find the least number that is exactly divisible by a, b, c	Find the least number that is exactly divisible by a, b, c leaves the same remainder 'r' in each case	Find the least number that will divide a, b, c leaving remainder x, y, z respectively
HCF(a, b, c)	HCF(a, b, c)	LCM(a, b, c)	LCM(a, b, c) + r	LCM(a, b, c) - K

HCF(14, 18, 5) = 1

HCF(10, 13, 17) = 1

LCM(10, 13, 17) = 2210
