Congratulations, Aaradhya Mangesh!

On behalf of President Steven H. Kaplan and our family of over 60,000 alumni, I am delighted to inform you that you have been accepted into our **Cybersecurity and Networks, MS** program for the **Fall 2023** term.

At the University of New Haven, we are confident you will have an exceptional graduate experience and will build a strong network necessary for success in today's highly competitive world. Our rigorous academic programs and dedicated faculty will assist you in fulfilling your career goals and will set you on the path to professional growth.

We are guided by the following core values as they are the foundational elements of our culture and how we approach issues and make decisions essential to advancing the University of New Haven Mission.

- Student Centered: We place their success at the center of our decisions and activities to cultivate their full potential academically and personally.
- Engaged and Inclusive Community: We foster and celebrate diversity, inclusion, equity and access and strive for continuous improvement of these.
- Impactful Education: We intentionally engage our students in experiential education to prepare them for purposeful and fulfilling lives in a global society.

To begin the process of enrolling at the University of New Haven, please complete your offer reply form within your Accepted Student Portal by March 21, 2023. Once you have received your F-1 visa (passport stamped by the US Embassy), you will need to pay an enrollment deposit of $500 to ensure your seat is confirmed for your program. The enrollment deposit is $500 for students living off campus or $700 for students looking for on-campus residential housing. An enrollment deposit is required for all graduate students who decide to attend the University of New Haven. Your acceptance is contingent upon the receipt of all final official documents and official test scores, if applicable.

We look forward to you joining our community and wish you every success in the future.

Sincerely,

Abigail Burkhardt

March 20, 2023

Dear Krishna,

Congratulations! It is my pleasure to inform you of your acceptance to Monmouth University's Data Science (MS) program for the Fall 2023 semester. Upon completion of this program, your diploma will read Master of Science: Data Science. You should be very proud to be among those selected for this highly competitive program!

I encourage you to apply for financial aid using the Free Application for Federal Student Aid (FAFSA) using Monmouth's code (002616). Eligible graduate students may also qualify for assistance through federal and state loan programs. The University also offers a payment plan option for the fall and spring semesters that allows students to manage the cost of their degree over an extended period of time.

Additionally, we are able to waive select foundation course(s). **Please click here to view the Foundation Courses that will be waived.** All remaining coursework is required.

Please respond to your offer of admission by submitting this form. Your admission to the University is contingent upon satisfactory completion of all current course work and program requirements. The Office of Graduate Admission will contact you to begin the registration process.

If you have any questions please contact the Office of Graduate Admission at 732-571-3452 or gradadm@monmouth.edu.

Graduate studies at Monmouth is both a challenging and rewarding experience. Here, you will thrive within a learning environment characterized by its intellectual rigor, personalized attention, and high level of academic scholarship. The knowledge and skills you gain will not only enhance your professional growth, but will contribute toward enriching your life beyond the classroom.

Again, I offer you my congratulations and look forward to you joining the Monmouth University Graduate Studies community!

Dear Sneha,

We are pleased to inform you that you have been admitted to the Graduate College for the Fall 2023
semester as a student in the Technology Management program. This letter is your official notice of
admission.

This notice of admission is valid only for the Fall 2023 semester, requiring initial enrollment during this
term.

For tuition assessment, you have been classified as International on the basis of currently available
information. You have been assigned a University ID Number (UIN) and an Activation Code in order to
access your student record. Please treat this ID information as confidential. Your UIN is 672729954 and
your Activation Code is 13992399.

You have been admitted on Full Status.

To complete your admission, you must submit final, official academic credentials from the institution(s)
below within one month of the start of the semester to the Graduate College:

- Univ of Mumbai

Please review our Admitted Student Final Credential Requirements for specifics on the documents needed
to satisfy the conditions of your admission, as well as methods of submitting these credentials to the
Graduate College. You will not be allowed to register for subsequent semesters until all required documents
have been received. Please note that if you have already provided these final, official academic credentials
to your department office, the department will work with the Graduate College to clear these conditions of
your admission.

All students are required to complete immunization requirements and submit immunization history forms in
order to enroll at Illinois. A complete list of required forms, deadlines and optional forms are available at

Dear Tanvi,

Congratulations on your admission to the M.S. Information Systems program for the 2023-2024 academic year. Based on our committee's review of your outstanding application, we are pleased to offer a 10% tuition scholarship for the 2023-2024 academic year. The scholarship will be administered to all applicable credits required for the completion of your degree program. The value of this award is estimated at over $6,000 over the next 2 academic years. You will receive this award through the duration of your program, contingent upon the following:

1) Scholarship recipients must maintain a 3.0 grade point average in each term and be enrolled as a full-time matriculated student in accordance to the academic calendar.
2) Scholarship recipients must meet satisfactory progress towards the fulfillment of their degree requirements and be in compliance with all Syracuse University policies and procedures.

The scholarship offer applies to fall and spring semester campus based courses only. Your tuition scholarship will be credited each semester to your Bursar account. Please be aware that accepting a larger scholarship, assistantship, petitioning to change your program of study, or switching to the online version of a program may result in the withdrawal or modification of this award.

Syracuse University is a member of the Council of Graduate Schools (CGS), and per the CGS Resolution, you are under no obligation to accept this financial offer prior to April 15, 2023. We ask that you let us know your plans as soon as possible in fairness to other applicants. If we do not receive a signed acceptance from you by April 15, 2023 the offer described in this letter may be reduced or reconfigured.

Congratulations once again on your offer of admission and scholarship. We appreciate your interest in joining our vibrant campus community and look forward to having you play an active and valuable role at the iSchool. Please contact the Office of Graduate Admissions and Recruitment at igrad@syr.edu if you have any questions or concerns.

Sincerely,

Dear AYUSH SUBHASH,

Congratulations, we are delighted to inform you that following assessment of your application, you have been offered a place on our MSc Computer Science (Negotiated Learning) FT course.

The details of your offer are as follows:

Course name:	T150 Computer Science
Course commencement date:	09 September 2024*
Offer status:	Firm Offer
Acceptance deadline:	29 February 2024
Course duration:	1 Year Full Time
2024/2025 Tuition Fee:	EUR 29,100.00 (subject to full fee assessment, see note)**

Please understand that this offer is based on information asserted in your application (e.g. level of programming ability and appropriate language skills). There will be no provisions made for students who perform poorly due to inadequate programming capability, given the nature of this course.

The Induction Day will be held on Monday 2nd September and it is obligatory for students to attend. The timetable for this will be emailed nearer to the date. Students will have their Student Needs Assessment during the period Tuesday 3rd to Thursday 5th September. At this time you will have the opportunity to negotiate your individual learning contract which will specify the modules that you will be enrolled in for the Autumn and Spring terms of your course.

ILEP Prog Ref No: 0032/1929

Please note, in addition to the initial EUR500 non-refundable deposit payable by the deadline given above, to secure your place you will be required to make a tuition fee payment of EUR 5,000 (i.e. total amount payable EUR5,500) by Thursday 25th April. Due to the limited availability of places, your offer will be withdrawn if you do not accept this offer and make the requested tuition fee payment by this date. We cannot guarantee there will be any available places should you contact us after the deadline has passed.

You have until 29 February to accept or decline your offer. Please see the "Further Information" section below outlining acceptance procedures and other relevant information.
