### ABOUT COLLEGE

Excelssior Education Society is an educational & charitable trust founded in 1978. The institution is realisation of the dream of Late K.C. Khanna & Dr.(Mrs) Harssh Khanna through their sheer grit, devotion, consistent hard work and determination.

K.C.College of Engineering & Management Studies & Research, is affiliated to University of Mumbai.

Having developed the concept for true education and intellectual integrity, the Excelssior Education Society focuses on providing quality education. The students as well as faculty are inspired & supported to attain high standards of education and skill sets and shine in their chosen path. This in turn enhances the core strenghts of students & enables them to realize all round development.

### ABOUT THE DEPARTMENTS

The department of Information Technology & Computer Engineering was started in the year 2001. The aim of the departments is to prepare graduates for personal and professional success with awareness and commitment to their ethical and social responsibilities.

### OBJECTIVE

**RUBY** is a web development tool which challenges the student's imaginative thinking & creative engineering approach. It is an opportunity to share the technology & enhance student's programming skills.
